ACADEMIC YEAR: 2019-2020

A teaching plan is a document that outlines the structure and details of a single session. A good teaching plan is a comprehensive write-up of the step-by-step teaching methods, the estimated duration of each segment of teaching, and the materials and resources needed for the session.

LEARNING OBJECTIVE/S:

By the end of the session Students will be able to:

The general education curriculum will enable students to acquire skills, knowledge, and experience for living in interconnected context so they can contribute to making life better for others, themselves and the larger world.

(For a detailed description of each component see Appendix A).
