A Unit of

University of Mumbai

LIFELONG LEARNING & EXTENSION

V.V. Bhavan, 'B' Road, Churchgate, Mumbai – 400 020

Website : www.mudlle.ac.in

DLLE (DEPARTMENT OF LIFE LONG LEARNING AND EXTENSION) WAS INITIALLY KNOWN AS DACEE (DEPARTMENT OF ADULT AND CONTINUING EDUCATION AND EXTENSION)

The Department of Lifelong Learning and Extension (DLLE), formerly known as DACEE, stands as a significant and mandated division within the University of Mumbai. Its fundamental purpose is to foster a meaningful and enduring connection between universities and the wider community. DLLE serves as a platform for the exchange of ideas, innovations, research, and the interaction of students, effectively bridging the gap between academia and society.

DLLE operates with a profound objective: to amplify the voices and experiences of those who have been historically marginalized or overlooked. By nurturing this dialogue, DLLE empowers its students to become advocates and representatives for these often underserved segments of society. Through direct interaction, students gain firsthand insights into the challenges and realities faced by these individuals, fostering a heightened sense of responsibility and citizenship.

This engagement with underprivileged and marginalized members of society impels DLLE students to actively contribute towards alleviating their burdens. In doing so, DLLE cultivates a sense of empathy, awareness, and proactive involvement in the betterment of the broader community. This transformative process empowers students to channel their efforts towards creating positive change, thereby contributing to the upliftment of the less fortunate and downtrodden.

In essence, DLLE's mission goes beyond conventional education. It forges a link between

academic pursuits and societal well-being, instilling in students the values of empathy, responsibility, and social consciousness. By facilitating this dynamic exchange, DLLE not only enriches the educational experience but also contributes to fostering a more inclusive and compassionate society.

The establishment of the DLLE unit at VIVA College was undertaken with a clear set of objectives aimed at enriching the educational experience and nurturing well-rounded individuals. These objectives reflect the college's commitment to holistic development and fostering a sense of social consciousness among its students.

Inculcating Moral Values and Holistic Development: One of the primary goals of the DLLE unit is to foster the development of moral values and facilitate holistic growth in students. Beyond academic achievements, the unit recognizes the importance of character-building and the cultivation of ethical principles. By instilling moral values, the college aims to contribute to the overall personal and ethical development of its students.

Providing a Platform for Exchange of Thoughts: The DLLE unit serves as a dynamic platform for students to engage in meaningful dialogue, share diverse perspectives, and exchange thoughts. This open exchange encourages intellectual growth and broadens students' horizons by exposing them to a variety of viewpoints. Through such interactions, students are sensitized to a range of social issues and responsibilities.

Promoting Social Responsibilities: The DLLE unit is dedicated to nurturing a sense of social responsibility among students. By creating awareness about societal challenges and encouraging active engagement in community-oriented activities, the unit helps students develop a strong sense of empathy and a commitment to making positive contributions to society.

Academic Benefits: The DLLE unit also provides tangible academic benefits, offering students the opportunity to earn 10 grace marks in their overall academic scores as per college ordinances. This incentivizes active participation and engagement in the unit's activities, reinforcing the importance of balanced personal and academic growth.

In essence, the VIVA College DLLE unit's objectives align with the institution's broader vision of education. By emphasizing moral values, holistic development, social consciousness, and academic benefits, the unit plays a vital role in shaping well-rounded individuals who are not only academically proficient but also ethically responsible and socially aware citizens.

Disaster Management Workshop

Date: 3rd August, 2022 (Wednesday)

Venue: Terrace, Old college

Student Strength: 300+

VIVA College of Arts, Commerce, and Science orchestrated a pivotal event - the "Disaster Management Workshop" on August 3rd, 2022, hosted on the Old Campus Terrace from 1:30 pm to 3:30 pm. This informative initiative was specially curated for NSS, NCC, DLLE, and Hotel Management students.

The workshop proved to be a significant educational opportunity, underscoring the college's commitment to proactive disaster preparedness. Expert training was provided by two esteemed entities, namely the National Disaster Response Force (NDRF) and the Vasai Virar Municipal Corporation (VVMC) Fire Brigade.

Their combined expertise ensured a comprehensive and insightful session.

The event commenced with a warm welcome extended to distinguished guests, Coordinators, and the participating students. More than 300 (DLLE 39 students) enthusiastic students engaged in this knowledge-sharing endeavor, making the most of the learning opportunity.

The workshop proved to be not only instructive but captivating, featuring live demonstrations pertinent to Disaster Management. These hands-on illustrations helped bridge the gap between theoretical knowledge and practical application, leaving a lasting impact on the participants.

As the session drew to a close, a significant gesture of appreciation was extended towards the dedicated officers from NDRF and VVMC Fire Brigade, recognizing their invaluable contributions to the workshop's success. The event concluded on a note of gratitude, with Dr. Deepa Verma expressing thanks to all involved parties, encapsulating the spirit of collaboration and learning that characterized the workshop. This "Disaster Management Workshop" stands as a testament to VIVA College's dedication to fostering not only academic growth but also a sense of preparedness and responsibility in the face of potential challenges.

Tree plantation and Conservation drive at Jivdani temple

Date: 13th August 2022 (Wednesday)

Venue: Jivdani Temple, Virar

Student Strength: 100

The collaborative efforts of the Department of Lifelong Learning and Extension - VIVA unit, along with NSS and NCC, bore fruit on August 13th, 2022, as they spearheaded a noteworthy "Tree Plantation and Conservation Drive" along the Jivdani road.

This initiative resonated with more than a hundred dedicated volunteers, with a notable count of 38 students from DLLE who actively engaged in the event. The collective spirit of these volunteers was instrumental in the success of the drive.

A tangible impact was made as over 300 saplings found their new home in the vicinity of the revered Jivdani temple, reflecting the commitment to greener surroundings. This concerted effort was not only a testament to environmental consciousness but also a reflection of the community's dedication to preserving nature's blessings.

Guiding this endeavor were Nitin sir and Akshay Mohite sir, whose invaluable insights and guidance elucidated the profound impact of tree plantation on the environment. Their knowledge added depth to the practical work, ensuring that participants understood the significance of their actions in the larger ecological context.

As the day's efforts concluded, a vote of thanks was extended, acknowledging the collective dedication that made the drive a success. This "Tree Plantation and Conservation Drive" symbolizes the power of collaborative action and serves as a reminder that even small acts, when multiplied, can make a significant impact on the environment and the community at large.
