DLLE (DEPARTMENT OF LIFE LONG LEARNING AND EXTENSION) WAS INITIALLY KNOWN AS DACEE (DEPARTMENT OF ADULT AND CONTINUING EDUCATION AND EXTENSION)

The Department of Lifelong Learning and Extension (DLLE), formerly known as DACEE, stands as a significant and mandated division within the University of Mumbai. Its fundamental purpose is to foster a meaningful and enduring connection between universities and the wider community. DLLE serves as a platform for the exchange of ideas, innovations, research, and the interaction of students, effectively bridging the gap between academia and society.

DLLE operates with a profound objective: to amplify the voices and experiences of those who have been historically marginalized or overlooked. By nurturing this dialogue, DLLE empowers its students to become advocates and representatives for these often underserved segments of society. Through direct interaction, students gain firsthand insights into the challenges and realities faced by these individuals, fostering a heightened sense of responsibility and citizenship.

This engagement with underprivileged and marginalized members of society impels DLLE students to actively contribute towards alleviating their burdens. In doing so, DLLE cultivates a sense of empathy, awareness, and proactive involvement in the betterment of the broader community. This transformative process empowers students to channel their efforts towards

creating positive change, thereby contributing to the upliftment of the less fortunate and downtrodden.

In essence, DLLE's mission goes beyond conventional education. It forges a link between academic pursuits and societal well-being, instilling in students the values of empathy, responsibility, and social consciousness. By facilitating this dynamic exchange, DLLE not only enriches the educational experience but also contributes to fostering a more inclusive and compassionate society.

The establishment of the DLLE unit at VIVA College was undertaken with a clear set of objectives aimed at enriching the educational experience and nurturing well-rounded individuals. These objectives reflect the college's commitment to holistic development and fostering a sense of social consciousness among its students.

Inculcating Moral Values and Holistic Development: One of the primary goals of the DLLE unit is to foster the development of moral values and facilitate holistic growth in students. Beyond academic achievements, the unit recognizes the importance of character-building and the cultivation of ethical principles. By instilling moral values, the college aims to contribute to the overall personal and ethical development of its students.

Providing a Platform for Exchange of Thoughts: The DLLE unit serves as a dynamic platform for students to engage in meaningful dialogue, share diverse perspectives, and exchange thoughts. This open exchange encourages intellectual growth and broadens students' horizons by exposing them to a variety of viewpoints. Through such interactions, students are sensitized to a range of social issues and responsibilities.

Promoting Social Responsibilities: The DLLE unit is dedicated to nurturing a sense of social responsibility among students. By creating awareness about societal challenges and encouraging active engagement in community-oriented activities, the unit helps students develop a strong sense of empathy and a commitment to making positive contributions to society.

Academic Benefits: The DLLE unit also provides tangible academic benefits, offering students the opportunity to earn 10 grace marks in their overall academic scores as per college ordinances. This incentivizes active participation and engagement in the unit's activities, reinforcing the importance of balanced personal and academic growth.

In essence, the VIVA College DLLE unit's objectives align with the institution's broader vision of education. By emphasizing moral values, holistic development, social consciousness, and academic benefits, the unit plays a vital role in shaping well-rounded individuals who are not only academically proficient but also ethically responsible and socially aware citizens.

Road Safety Awareness Program

Date: 4th January, 2025 (Saturday) & 16th January 2025 (Thursday)

Venue: Atrium - VIVA College, New Campus

Student Strength: 200

Road Safety Awareness Program was organised by VIVA Motor Driving School conducted at VIVA College, Virar (W) on January 4, 2025 as part of Road Safety Awareness Week. The program aimed to educate and guide about essential road safety measures and traffic rules.

The initiative was made possible by Career Katta, which facilitated the establishment of the VIVA Motor Driving School. The event was spearheaded by the college's IQAC Coordinator & Vice Principal, Dr. Deepa Verma, who emphasized the importance of such programs in creating responsible citizens.

The chief guests for the event were Mr. Shripad Bhagwat, Mr. Jaydeep Zhambre, and Mr. Ajinkya Phad, Assistant Inspectors at the RTO, Vasai. They delivered insightful lectures to the students, focusing on road safety protocols, traffic rules, and the significance of adhering to them to reduce accidents. The session also included interactive discussions, making it an engaging and informative experience for the attendees.

The event saw an enthusiastic participation of approximately 200 participants, including members of the NCC, NSS, DLLE, Career Katta and other college students and staff members. The collaborative effort highlighted the college's commitment to fostering awareness among young individuals about road safety.

The program concluded with a pledge taken by all participants to follow traffic rules and promote road safety. The event not only educated the students but also inspired them to become advocates for safer roads in their communities.

Such initiatives are crucial in addressing the growing concerns around road safety and instilling a sense of responsibility in the younger generation.
