- 30% of alumni did not believe the syllabus and stream were relevant. However, 70% of students and higher felt the positive use of syllabus and stream.

Students feedback
Observation

- Questions about the students' syllabus review are excellent-good. Students agree on syllabus feedback that the content in the syllabus is taught appropriately, while teachers provide assignments that enhance students' learning.
- The college adheres to critical principles such as a focus on fundamentals, the overall reach of the course, and the provision of reference material through library books. The students' excellent-very good ratings demonstrate this.
- The course content has a high overall rating. There is room for advancement in terms of practical applications and job-based connectivity.
Measures taken for Curriculum enhancement based on Curriculum Feedback
(Academic Year 2021-22)

Feedback was collected and analyzed from various stakeholders on curriculum aspects (attach feedback analysis link), the valuable suggestions (if any) were noted and measures were taken to implement them.

1. Due to the transition from online to offline mode many students encountered difficulty in subject grasping via traditional methods hence the institute Inco-operated blended mode of online and offline methodology of education.

The Institution has included the following Curriculum aspects which will enrich the curriculum even further and has tried to maintain this annually for the benefit of the students:

1. Aquascaping and freshwater aquarium management, investment analysis and portfolio management, Soft skill development,

2. Courses on communication skills and Employability Skills will be targeted.
