Controlling one's own Mind and Tackling the Challenges.

16th February 2023,

A transformative counseling session took place on 16th February, 2023 for the **Final Year students of B.Sc. Biotechnology**, focusing on the crucial theme of "**Controlling one's own Mind and Tackling the Challenges.**" The seasoned counselor Respected **Dr. Deepa Verma, Vice Principal of our College, IQAC Coordinator**, skilfully employed various strategies to address this complex subject. During the session, the counselor effectively utilized real-life examples to illustrate the significance of controlling one's mind and managing challenges. These relatable instances served as powerful tools to help individuals grasp the practical applications of the discussed concepts. To foster mental well-being, the counselor imparted meditation tips, recognizing the profound impact of mindfulness on emotional regulation. By encouraging individuals to integrate meditation into their daily routines, the counselor aimed to enhance their ability to navigate challenges with a clear and composed mind-set. Moreover, the counselor shared valuable tips and tricks to control emotions and anger. Recognizing the prevalence of these issues in daily life, the

session provided practical strategies to channel and manage these emotions constructively. This approach aimed not only at addressing the symptoms but also at cultivating a deeper understanding of the root causes. A notable aspect of the session was the counselor's personal engagement with students struggling to control anger towards family members. The counselor's first-hand experience in guiding individuals through such familial challenges added a compassionate and empathetic dimension to the session. This personalized counseling approach reinforced the importance of understanding individual circumstances and tailoring interventions accordingly.

In conclusion, the counseling session on "Controlling one's own Mind and Tackling the Challenges" was a comprehensive and impactful exploration of strategies to foster emotional well-being. The combination of real-life examples, meditation tips, and personalized counseling showcased the counselor's commitment to equipping individuals with practical tools to navigate the complexities of the mind.

- As there was difficulty communicating students and even for students to enrol for counselling session. All the planning and execution related to the same was done with the help of vss team. Respected Kutti Sir was also a part of all this journey and his valuable guidance made this process smooth.
- Counseling heads were appointed (Viz Jr College, Degree College, Diploma, Pharmacy and Engineering).

Brief report of the event in (200-300) words.

Street play, regarding "helmet" and "save electricity", was organized by department of BAMMC on 11th and 12th April 2022 at new VIVA campus under the guidance of Prof. Mohsin Shaikh. Both the events were started at 8:00am. The event started with an high pitching and clapping as well as played drum to grab the attention of the audiences. To make aware regarding their social topics both the team played an act in which the team of helmet awareness showed a fake accident which happens due to careless riding in which one can save their life through helmet. And the other team showed an act through the example of village and city life style how the way we waste the electricity and still in village side people face lack of electricity. They also made posters to make their play more attractive to spread or hit the message through out the audiences. At the end one of them from the team gave a vote of thanks to the principle and our Mohsin sir for this wonderful opportunity. In this way they succeeded to make a great street play.

Brief report of programme (in 250 -300 words)

“योग्य आहार हे जगातील सर्वोत्तम औषध आहे. आहार सुधारला तर कोणत्याही आजारावर सहज मात करता येते. एक डॉक्टर असूनही मी हे विधान करतेय,” असं प्रतिपादन सुप्रसिद्ध होमिओपॅथी तज्ज्ञ आणि आहार मार्गदर्शक डॉ. श्रुती गोगटे यांनी केले. विरार येथील विवा महाविद्यालयाच्या आयक्यूएससी आणि महिला सक्षमीकरण कक्ष यांच्या संयुक्त विद्यमाने महिला दिनाच्या निमित्ताने 8 मार्च 2022 रोजी डॉ. श्रुती गोगटे यांचे आहार आणि आरोग्य या विषयावर मार्गदर्शन व्याख्यान आयोजित करण्यात आले होते.

आहारामध्ये कोणते तेल वापरले जाते यावर देखील तुमचे आरोग्य मोठ्या प्रमाणात अवलंबून असल्याचे त्यांनी सांगितले. याशिवाय स्वयंपाक करण्यासाठी नेमकी कोणती भांडी वापरावीत आणि का याचेही विवेचन त्यांनी केले.

संध्या डाएट आणि त्याच्याशी संबंधित पैलू यावर सातत्याने चर्चा होते. मात्र तुमच्या जीवनशैलीशी निगडित असेच तुमचे डाएट असले पाहिजे. ते करताना स्वयंपाकात थोडेसे बदल करूनही आरोग्य कसं सुधारता येतं याचेही मार्गदर्शन

The Department of Film, Tv and New Media Production (FTNMP) organized an Online Guest Lecture for the students of FY students on the topic “Dance” on . The speaker for the online Guest Lecture was Prof. Jitendra Ahenka.

In his lecture Prof. Jitendra Ahenka talked extensively about how an Art form helps us to de-stress ourselves. She said that it connects us with nature, works on our nervous system, soothes it, and helps in releasing endorphins that make us feel relaxed, happy, and de-stressed. She also said that any difficult subject if connected /turned into a rhythm makes it easy to grasp. The Artform of “Dance” helps in building up our stamina, concentration, and harmony. Today in this fast-moving life it is important to learn one art form or the other.

He highlighted some key points such as:

- current local and international dance trends and practices in pedagogies for dance, education and training
- the role of past models of dance teacher training and education in current day practice
- the impact of innovation and technologies on the learning and teaching of dance
- understanding the influence of dance heritage in today’s rapidly evolving dance ecology
- approaches for embedding safe dance practice in dance teacher training and education
- the role of other forms of training to support dancer and dance teacher education, and
- global perspectives on the role of dance competitions in the training and education of children, adolescents and young adults.

He also discussed that the division of dance into types can be made on many different grounds. Function (e.g., theatrical, religious, recreational) is an obvious ground, but distinctions can also be made between tribal and folk dance, between amateur and professional, and above all between different genres and styles. Genre usually refers to a self-contained formal tradition such as ballet, within which there may be further subgenres, such as classical and modern ballet.

Within subgenres, different styles can be distinguished, such as those of Ashton, MacMillan, and Balanchine in modern ballet and Graham and Cunningham in modern dance. Style as used here embraces many elements, including a preference for certain kinds of movement or for particular kinds of energy and attack. It also embraces different ways of phrasing movement or of arranging dancers into groups, as well as an interest in certain kinds of music or design.

He also discussed Theatre dance ballet, Modern dance Expressionism, Merce Cunningham, who developed a style that embraced an extraordinarily wide spectrum, from natural, everyday action such as sitting down and walking to virtuosic dance movements. Then he also discussed Postmodernism, The Musical, Indian Classical dance such as kathak, then Tribal and World dance, Folk dance, Social dance etc.

The programme started at 10:00 am and ended at 12:00pm. The guest speaker was heartily welcomed by Ariya, a student of F.Y. FTNMP. Interested faculty and students from other colleges were also invited to the seminar. It was a wonderful session. Students participated very enthusiastically and interacted with the speaker through various queries.

Prof. Sameer Rane, HOD, presented a small token of appreciation to our valuable guest of honour.
