**Brief report of programme (in 250 -300 words)**

Career guidance can be defined as a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. In simple words, it is a journey on which people develop to make mature and informed decisions. We live in a highly competitive era where all our career choices and our efforts determine the quality of our life in the future. The competition is increasing every day and has even engulfed the courses that were once called non-conventional. With this, the importance of proper career guidance and counseling cannot be overlooked.

Our department of IT and CS in association with IQAC had organized a Career Guidance Programme in online mode on 29th October 2020 for Final year students in the presence of HODs of the both departments as well as placement team member of the department.

The resource person Mr. Manish Saesha guided the students on the future career directions of the and also motivated the students for developing the required skills. It was helpful to our students for shaping their skills that is actually required to get a job in the IT industry. It helped the students to understand the latest trends and technologies used in the IT industry. Also, it provided the students with an opportunity for developing their skills by registering for the various courses offered by this programme and then get placed in the industry with such developed talents and skills.

<b>Brief report of programme (in 250 -300 words)</b>	<p>VIVA COLLEGE, Department of BAMMC/BMM, had conducted a Seminar on Journalism and News Coverage by Ms. Vaishnavi Vivekanand Raut. The seminar was held on 11<sup>th</sup> February, 2021 at sharp 09am. As of the ongoing pandemic, the seminar was taken via Google Meet. It was an online seminar but felt better than real</p> <p>The guest for the seminar, Ms. Vaishnavi Vivekanand Raut is a proud alumna of VIVA college Virar (W). From VIVA college she had perceived her degree in Bachelor of Mass Media in the year 2013 – 2014 in Journalism as a specialized branch. She is currently preserving her education in L.L.B. and she is currently working as a Reporter, Photographer, News Writer, and Columnist in Maharashtra Times (Times Groups) newspaper. She was working there in 2019. She had a profound experience in the field of Journalism. She had worked in the big newspaper brands like The Loksatta, Mi Marathi Live, Maharashtra Buland Times, etc. On 11<sup>th</sup> February at the seminar she had enlightened the students with the fast fiend of journalism. She made the students aware about the future challenges they will face in the field of journalism. And not only that but also, she had told students the way to overcome those challenges. From the practical experience to the ethical values, from being fresher to being professional, she told everything and explained everything in detail.
