Dear Mitali & Hitesh,

Greetings from VIVA College - Department of Hotel & Tourism Management!

Hoping this email finds you well in excellent health! We would love to wish you the best of season!

We had invited Team Orchid for the campus placement in our college premises and after 3 rounds of Interview the team consisting of Neerja Maam & Shraboni has selected candidates for the job placement (employment) for "The Orchid" & "VITS" The students were called at Orchid to hand over the employment letter which they received for the employment & the students selected for the VITS were called with their resume and later on employment letter would be handed over that's the communication we had earlier over email.

But surprisingly student interviews were conducted again at VITS and students were offered OJT, these students have undergone their Industrial Training at the hotels they have been at many ODC at the luxury hotels and all the leading hotels in markets have offered employment not OJT to this batch of TY. OJT was offered to the students who have not undergone their training at hotels & obviously during COVID that was the trend not since everything is back on track its employment offered. Hence the students whom OJT has been offered by VITS are unfortunately rejecting the offer as they are getting employment at leading hotels.

These students were offered employment at VITS hence they would like to join. Kindly confirm with us with a line confirmation if below mentioned students (F&B department) would be hired for employment or OJT. Looking forward to hearing from the salary break up & confirmation on this so that students can sit for other campus placements.

Wishing you & the entire team the season's best greetings! Requesting you to kindly share the salary break up for the students selected for the employment at "THE ORCHID" for all the departments - Front Office, Housekeeping, Kitchen & Food & beverage department.

I am hoping all the students had taken their employment letters except Prathamesh Tambekar unfortunately due to personal reasons he won't be able to join your esteemed organisations. Students were curious to know the break up.
