THE FESTIVE FIESTA

About Theme:

Over the centuries there has been a significant fusion of cultures in India. Our country is known for its diversity, which rises like the seven colours of the rainbow.

No matter what the situation is, we the members of the VIVA Student Council are enthusiastic to celebrate the entire year in 7 days. Just like the rainbow rises in 7 colours, these 7 days from 02nd February to 09th February are going to cherish the beauty of Indian culture in 7 colourful festivals.

<p>Brief report of programs (in 250 -300 words)</p>	<p>The cultural department of VIVA College organizes a cultural fest, named "Saksham" held in February in which there are several days and events for the students in which they participate and enjoy the whole cultural week. The fest was celebrated for approximately 10 day. For this year the council members decided on the theme "<i>THE FESTIVE FIESTA</i>". Which gave the students a platform to showcase their talent. But due to the Pandemic situation the event was held online this year with 28 events that were successfully conducted online but the whole team was present physical and did all the event's preparation and conducted the same in the seminar hall (Old Campus).</p>

	<p>Mr. Sandesh Patil showcasing some practical knowledge of Print Media</p>
<p>Brief report of programme (in 250 -300 words)</p>	<p>The Department of BAMMC organized a Workshop for its students on Print Media Design on March 05, 2022. A total of 68 students attended this Workshop. Mr. Sandesh Patil was the chief guest of the workshop, who has been associated with Indian Express for the past 30 years. He explained various techniques by which Newspaper and magazines layout is designed. He also made students aware of industry terminology used in print media design. He used many great examples which made it easy to understand the details properly. He gave a detailed explanation of QuarkXPress Software, the software which is mainly used in print media designs. He showed how to use other substitute software like Photoshop, Adobe In Design, etc. He created few different layout designs using this software on stage so that student can have actual practical knowledge. He explained beautifully with practical examples different types of print media layouts such as Broadsheets, Tabloids and Magazines. In the end with a generous heart, he interacted with students and patiently answered everyone's doubts and queries. A successful workshop is defined when students walk out with some new knowledge and with a better perspective and that surely happened with this workshop.</p>
