Annual E-Governance Report 2022-23

1. **College Administration through Website:**

   The college website serves as an information hub, showcasing the institution's vision, mission, objectives, administrative structure, academic departments, important notices, courses offered, and more. The website committee is responsible for consistently updating, processing, and maintaining the website and its contents to ensure accuracy and relevance.

2. **Students Administration and Support:**

   The college disseminates notices to all stakeholders through its website, which include guidelines for the admission process. Both offline and online admission portals are utilized to efficiently manage admissions. Students are enrolled through the digital university portal of the University of Mumbai, adhering to the guidelines set forth by the university.

3. **Library e-governance:**

   The college has expanded its e-learning resources to better serve both teachers and students. Additionally, it subscribes to new journals and books based on recommendations from both faculty and students, enriching the academic experience.

4. **Examination Functioning:**

   The examination process aligns with the e-governance policy and guidelines established by the University of Mumbai. Both undergraduate (UG) and postgraduate (PG) examinations are administered online. Result data is submitted to the university via the online digital university portal (http://mum.digitaluniversity.ac).

5. **Finance and Accounts:**

   The college maintains its use of Tally ERP 9 for accounting and financial management purposes.

6. **Internet Facility:**

   The college has upgraded its internet connectivity to 65 mbps to meet therequirement of e-governance.

Sub: Installation for in house developed ERP software.

Respected Sir/Madam,

We are pleased to inform that VIVA Software Solutions has developed a comprehensive suite of ERP modules, which include functionalities for online admissions, library management, examination fee payments, result generation, issuance of leaving certificates, railway concession processing, as well as dedicated portals for staff and students. We are fully equipped to implement the ERP system, and our team will provide thorough training for all relevant personnel. Additionally, as this is an in-house developed solution, there will be no associated software costs. Should any issues arise, our team is committed to addressing and resolving them promptly.

Thanking You

Sub: Comprehensive In-House ERP Solution Deployment with Auto-Proctoring Provision
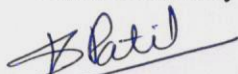

Respected Sir/Madam,

We are pleased to announce that VIVA Software Solutions has developed a comprehensive suite of ERP modules, which include functionalities for online admissions, library management, examination fee payments, result generation, issuance of leaving certificates, railway concession processing, as well as dedicated portals for staff and students.

Due to the lockdown, we have updated and installed the software, and an auto-proctoring provision has been implemented. Our team is fully equipped to deploy the ERP system, and we will provide thorough training for all relevant personnel. Additionally, as this is an in-house developed solution, there are no associated software costs. Should any issues arise, our dedicated team is committed to addressing and resolving them promptly.

Thanking You

Yours Faithfully
