The movie is based on India's war prisoners life after the 1971 war. The movie was Based on true facts, the film revolves around 6 brave soldiers who escape from the clutches of the Pakistan Army and risk death with honor and courage with sacrifice towards their journey home. It is now in 2007. The place is Multan Jail in Pakistan. We see an old man walking in the prison compound. He has made five little mounds of earth and he is putting a few flowers on them. He sits on the ground next to them and leafs through what was once Major Suraj Singh's prison diary. This old man is Gurtu. He says that it is impossible to live without hope, and that he is alive because of hope. It is revealed that there are still 54 Indian POWs from 1971 in Pakistani jails, and they were last seen alive in 1988. 133 students participated in this rally.

Brief report of programme (in 250 -300 words)

The Department of History had organized a trip down memory lane for their History students by taking them on a Study Tour to Chhatrapati Shivaji Maharaj Vastu Sangrahalaya on 17th February 2023.

As Museology is a part of the TYBA curriculum, the trip to the museum was a great learning experience as the students were shown first hand conservation and preservation techniques. Around 120 students attended this study tour along with 8 faculty members.

The CSMVS is a National History Museum which houses artifacts right from the Indus Valley Civilization to the British Era. The Museum also has a Natural History Gallery which has excellent

	collections of birds and animals beautifully preserved. An orientation and stone tool technology demonstration for the students was conducted which was a great learning experience for them.

Report of Vidhan Bhavan Visit
Date : 21st March, 2023

	The students department of Economics of S.Y.B.A. & T.Y.B.A. had a wonderful opportunity of visiting and witnessing the live sessions of Maharashtra Legislative Assembly (Vidhan Sabha) and Maharashtra Legislative Council (Vidhan Parishad) on 21st March, 2023. A batch of 90 students visited the political epicenter of Maharashtra State. They witnessed live proceedings in both the houses and here the political discussions and debates on Budget Session of both the houses. Questions were raised by the Opposition benches which were effectively answered by Hon. Ministers. It was a memorable moment to see political stalwarts performing their duties. It was a once in a lifetime opportunity and the students thoroughly enjoyed it. Faculty members Ms. Mansi Gawand, Ms. Rupali Patil & Ms. Harshavardhini Borwankar took the initiative to arrange this visit.

ELOCUTION COMPETITION

The Department of History had organised an Elocution Competition, entitled

"***Contribution of Revolutionary Nationalist for India's Freedom Struggle"***

to commemorate their sacrifice for India's Independence on 14th August 2019 in Room No. 620 at 10.00am.

The competition was a huge success as students from first year to third year all participated in large numbers. They spoke on the lives of various revolutionaries such as Bhagat Singh, Madame Cama, Vasudev Balwant Phadke etc. organized one day before the Independence day, the Elocution speeches aroused the freedom valour amongst the students and teachers as well.

The students were judged on the basis of English, Hindi and Marathi language speeches by our judges Prof, Shaheen Mulani from the B.M.M. Department and Prof. Rupali Patil from the Economics Department

Brief report of programme (in 250 -300 words)	Xpression event, intra collegiate annual departmental event of BAMMC was successfully hosted on 11TH March 2023. It was a special day for Viva College as Xpresionfest'23 was celebrating its 17th edition this year, also the excitement was double the time as it was back offline. The event began around 9:30 am on Saturday with faculty members, judges, team members and all the participants on board. The judges of the year were Mrs. Alina D'costa and Mr. Mohsin Shaikh. The event was organised in the seminar hall at the college premises. Team Xpression decorated the seminar hall as well as the college atrium based on the theme. The event was started by seeking divine blessings with Saraswati Vandana. After creating tremors in the vicinity, the event was started with the felicitation of higher authorities followed by speech from principle Dr. V.S. Adigal sir and vice principle Dr.Prajakta Pranjape madam. The event got started with the screening of its very first category print Ad, followed by Poem, Radio jingle, Television Commercial, Short Film and Short Story Writing. Xpression Event, always comes with a brand new theme every year and the theme of this year was 'Contemporary to Classic'. The event also had some entertainment factors in between the categories which boosted the excitement. After screening all the entries of participation, Head of Department Madam Shahin Mahida shared a few words of wisdom with the students. Then comes the most nervous part of the event, winner announcement followed by the felicitation of the winners through medals. Finally the time to bid goodbye to Xpression'23 came and the event was wrapped up by a Vote of thanks.

This group had the brand name “BREW” with an energetic tagline “Brew WITH Bollywood Tadka”.
Had an amazing strategy to promote their brand via playing a suspicious hasty game. Having the audience to guess the Bollywood dialogues and the winner gets a delicious prize.

The faculty really loved the brand of cup noodles, the group had created hyped in their crowd and sold many cup noodles.

The college campus supported each and very group, showed their participation and love. They promoted the groups and really enjoyed the whole activity.

With a simple attractive decoration for their stalls, this group took hold ta biscuit brand “BRITANIA MARIE”. Having a good placement.

Thus group had a brand of “VANDE MATRAM AGARBATTI” promoting organic essence sticks. Strategically promoted importance of natural essence in our lives.
Had a real smart game of Damsharas, the winners got a pack of essence stick of their own choice.

Brief report of the event in (200-300) words.	A event “V-MART” was organized for SYBAMMC by respected “Mohsin sir” on 24th SEPTEMBER 2022. The event was started at 7:30am in atrium. Brief report of programme (in 250 -300 words)	The Department of BAMMC organized a Workshop for its students on Print Media Design on March 05, 2022. A total of 68 students attended this Workshop. Mr. Sandesh Patil was the chief guest of the workshop, who has been associated with Indian Express for the past 30 years. He explained various techniques by which Newspaper and magazines layout is designed. He also made students aware of industry terminology used in print media design. He used many great examples which made it easy to understand the details properly. He gave a detailed explanation of QuarkXPress Software, the software which is mainly used in print media designs. He showed how to use other substitute software like Photoshop, Adobe In Design, etc. He created few different layout designs using this software on stage so that student can have actual practical knowledge. He explained beautifully with practical examples different types of print media layouts such as Broadsheets, Tabloids and Magazines. In the end with a generous heart, he interacted with students and patiently answered everyone's doubts and queries. A successful workshop is defined when students walk out with some new knowledge and with a better perspective and that surely happened with this workshop.

Brief report of programme (in 250 -300 words)	A webinar on Communication, CV making and interview Skills was organized by Department of BAMMC of Viva college on the16th of December 2021, at 9 am. The Speaker of the webinar was Mr. Swapnil vaiude. Miss Bhakti Karekar, student of TYBAMMC welcomed the speaker, guests and the audience. She introduced the Speaker of the programme and talked about the life and experiences of the Speaker. The session began by Mr. Swapnil throwing some light on the importance of the communication and interview skills in daily and professional lives. Developing communication skills can help many aspects of your life, from your professional career, to social gatherings, to your family life. In today's hectic world, we rely heavily on sharing information, resulting in greater emphasis being placed on having good communication skills. He also shared some insightful information about One on one interview preparation, Tips and tricks as per different job profile requirements and Over all techniques for communication from his 13 years of experience of corporate world. He also highlighted the fact about Being able to actively listen is an important communication skill. It's easily overlooked, as people tend to focus more on what they want to say, rather than listening to what the other person is saying. Knowing when to pause to allow the other person to talk is an important skill. It conveys respect and a willingness to hear the other person's point of view. These skills will help them and their colleagues have more open and useful exchanges, where each contributor's point of view is expressed and heard. This should lead to a more positive working environment. To the end of the session the speaker had a question and answer session with the students in which the students took an active participation and got their doubts cleared.

Brief report of programme (in 250 -300 words)	The department of BAMMC organized a webinar for its students on Communication ≠ Mass Communication on January 15, 2022. A total of 82 students attended this webinar. The webinar started with Mr. Sameer addressing the various concepts of mass communication. He elaborated beautifully on the significance and weightage of communication in our day to day life. Mr. Sameer also brought into light the analysis of various communication experts and professionals, providing students the wide view of the communication industry. The webinar was arranged keeping in mind that the most basic need of the Media industry is Communication. A media student and professional must be well versed with its basics and that was successfully done by Mr. Sameer Patankar. His expertise on research, media and social studies also came handy with all explanations. Students interacted with great enthusiasm as Mr. Sameer discussed with them contemporary aspects of social media communication and self-growth. Students were enlightened with the right direction to communicate with and within the society.

Convener of Programme: Mrs Neetu Sharma

Brief report of programme (in 250 - 300 words)	VIVA COLLEGE, Department of BAMMC/BMM, had conducted a Seminar on Journalism and News Coverage by Ms. Vaishnavi Vivekanand Raut. The seminar was held on 11th February, 2021 at sharp 09am. As of the ongoing pandemic, the seminar was taken via Google Meet. It was an online seminar but felt better than real The guest for the seminar, Ms. Vaishnavi Vivekanand Raut is a proud alumna of VIVA college Virar (W). From VIVA college she had perceived her degree in Bachelor of Mass Media in the year 2013 – 2014 in Journalism as a specialised branch. She is currently preserving her education in L.L.B. and she is currently working as a Reporter, Photographer, News Writer, and Columnist in Maharashtra Times (Times Groups) newspaper. She was working there 2019. She had a profound experience in the field of Journalism. She had worked in the big newspaper brands like The Loksatta, Mi Marathi Live, Maharashtra Buland Times, etc. On 11th February at the seminar she had enlighten the students with the fast fiend of journalism. She made the students aware about the future challenges they will going to face in the field of journalism. And not only that but also, she had told students the way to overcome those challenges. From the practical experience to the ethical values, from the being fresher to being profession, she told everything and explained everything in detailed. She showed the students the way of achieving success in media field, a field where there is cut throat competition 24*7.

Brief report of programme (in 250 -300 words)	The college is the place where you keep learning and keep experiencing. Our VIVA college always motivates us to explore. Likewise we got a chance to interact with Mr. Pramod sir. His journey is something which blew us away. He is currently the CEO of yukti consultancy, the media agency which he founded Years ago. This media house has worked with big brands and handled their public relation. Brands like – Panasonic India, canon India, Tata motors etc. But that's not how it started; he did his maters in communication and journalism and masters in leadership and science from Mumbai University. Before he started his media house, he has worked as a reporter in print media like Dainik Prahaar and Marol Kesari. He explained us different aspects of public relation and the importance of building a brand. He explained us by sharing a few case studies of things like- Maggi, jawed Habib McDonald/ burger king and many more. He even shared his personal experiences in the industry and guided us for our future jobs in the practical world. We learnt a lot how to handle a client and deliver what exactly they want.

Brief report of programme (in 250 -300 words)		VIVA COLLEGE, Department of BAMMC/BMM, held a seminar on RADIO PRODUCTION by RJ Mr Ganesh Achwal on 16th February 2021 at 6.00pm sharp on the Google Meet, also live streamed on YouTube. The guest speaker, Mr.Ganesh Achwal , is a radio jockey at FM Rainbow 107.1. He has received the 'Best Akashvani Anchor' award for the year 2008-09 from Rotary club of Panvel. He has given his voice for audio recordings of books like 'Idli, Aarkid and Me' 'Shantarama' 'sandhyachaha' for NAB institution. Mr Ganesh is popularly known for his great writing contributions in newspapers and magazines like Maharashtra times, Belgaon Tarun Bharat, Loksatta, Samna , Mumbai etc. Sir has written for various reality shows based on E TV.		

	The highlights of the seminar are, Mr. Ganesh Achwal started it by saying “let’s do some gapshap over chai, and learn few things in fun way” which caught all students attention sticked to the seminar, he also grabbed students attention by saying “ radio ne hi mere sanskar kiye hai" his interactions with students was very nice , students felt comfortable and started interacting very soon. He also explained the importance of radio, he also gave practical knowledge on hosting the show, writing for radio, and exciting topics for radio were discussed. Voice is very important for radio, voice modulation was thought and performed for students to understand it better, research work for radio is very necessary, and RJ should have knowledge on anything and everything .Every RJ is a communicator, but only few are good communicators. RJ should be able to give information delivered with entertainment.

Brief report of programme (in 250 -300 words)	The college is the place where you keep learning and keep experiencing. Our VIVA college always motivates us to explore. Likewise we got a chance to interact with Mr. Pramod sir. His journey is something which blew us away. He is currently the CEO of yukti consultancy, the media agency which he founded Years ago. This media house has

<table>
<tr><td></td><td>worked with big brands and handled their public relation. Brands like – Panasonic India, canon India, Tata motors etc. But that's not how it started; he did his maters in communication and journalism and masters in leadership and science from Mumbai University. Before he started his media house, he has worked as a reporter in print media like Dainik Prahaar and Marol Kesari.

He explained us different aspects of public relation and the importance of building a brand. He explained us by sharing a few case studies of things like- Maggi, jawed Habib McDonald/ burger king and many more. He even shared his personal experiences in the industry and guided us for our future jobs in the practical world. We learnt a lot how to handle a client and deliver what exactly they want.</td></tr>

Brief report of programme (in 250 -300 words)	VIVA COLLEGE, Department of BAMMC/BMM, had conducted a Seminar on Journalism and News Coverage by Ms. Vaishnavi Vivekanand Raut. The seminar was held on 11th February, 2021 at sharp 09am. As of the ongoing pandemic, the seminar was taken via Google Meet. It was an online seminar but felt better than real The guest for the seminar, Ms. Vaishnavi Vivekanand Raut is a proud alumna of VIVA college Virar (W). From VIVA college she had perceived her degree in Bachelor of Mass Media in the year 2013 – 2014 in Journalism as a specialised branch. She is currently preserving her education in L.L.B. and she is currently working as a Reporter, Photographer, News Writer, and Columnist in Maharashtra Times (Times Groups) newspaper. She was working there 2019. She had a profound experience in the field of Journalism. She had worked in the big newspaper brands like The Loksatta, Mi Marathi Live, Maharashtra Buland Times, etc. On 11th February at the seminar she had enlighten the students with the fast fiend of journalism. She made the students aware about the future challenges they will going to face in the field of journalism. And not only that but also, she had told students the way to overcome those challenges. From the practical experience to the ethical values, from the being fresher to being profession, she told everything and explained everything in detailed. She showed the students the way of achieving success in media field, a field where there is cut throat competition 24*7.

One Day seminar on content writing

A one day seminar was arranged by Department of Multimedia & Mass Communication on tips and tools of content writing.

Mrs. Priyadarshini Deshpande, content writer, dialogue writer for many Marathi serials, reporter was the speaker for the seminar.

The seminar started on the note how observation is very important for writing any kind of content may be for serials, films or product. Good storytelling stirs interest and creates meaning, fosters contemplation in its readers, and in turn, becomes valuable to your intended audience. Mrs. Priyadarshini shared her valuable experience from the industry and made students aware about why content writing and content analysis is important. Content can be created from strong observation and observation comes from strong patience over subject.

Students did asked many questions and all the queries related to topic was solved. All the students were contented with the knowledge shared by Mrs. Priyadarshini.

Photography Confab

On 25th July, Thursday, a Photography Seminar was held in the Seminar Hall of Viva College by Jai Dodiya, an Alumni of Viva College who previously belonged to the BMM department.
The seminar began at (10:30am), all the budding photographers of FY, SY and TY of BMM (30 students) along with faculties were present to be a part of the seminar and gain intel from Dodiya and his years of experience in the field of photography.
The seminar began with Jai introducing himself, followed by him giving guidelines and sharing his experiences, etc. Later, he displayed his work and achievements such as his work being published in Hindustan Times, which motivated and inspired the attendees.
As the photography seminar came to an end, an interactive Q-A took place which was quite expository along with which he shared the importance and need of internships.
Lastly, the vote of thanks was conducted with which the seminar concluded and the potential photographers surely left the Seminar Hall with a new resolve.

XPRESSION 2020

The Department of BAMMC organised its annual event XPRESSION on January 25th, 2020 in Seminar Hall of New Campus from 09:45am to 02:00pm.

The event was remarkable and cheerful like every year with a fresh theme of CinemAd- Combination of Advertisements and Cinema. The event was a competition categorised in Print Ads, TVC and Radio Jingle. Total of 42 entries along with 100 participants of VIVA Degree College attended this event. Ms Alina Dcosta and Mr Balkrishna Aeer were the head and assistant faculty incharge, respectively.

Judging of the competition was done by Ms Komal Patel- Alumni of Dept of BAMMC and Senior Graphic Visualizer at Schbang Media and Mr Hardik Senjali- Investment group head at MediaCom India.

Principal Dr. A.P.Pandey and Vice Principal Mrs Prajakta Paranjpee graced the event and encouraged the gathered crowd with their words of wisdom. Principal Dr. A.P.Pandey appreciated students for their efforts and inspired everyone to perform better in no matter what they pursue in life. Vice Principal Mrs Prajakta Paranjpee mentioned how magic can be created by adding madness and creativity and portraying it in right direction.

Ms Aparna Thakur, Secretary of VIVA Trust also attended the event. Her presence motivated the students and staff. Her inputs and perceptiveness were striking.

The event witnessed note-worthy ideas of participants, their take on creativity through their amazing advertisements. All participants were felicitated with certificate of participation and winners were felicitated by judges with medals and certificate.

Co-judge Mr Senjalia stepped upon the dice to share how delighted he was to be a part of such event and wished to be able to have a future association with the Department and College. Coordinator of BAMMC Mrs Neetu Sharma also expressed her wishes to the participants, core committee of the event and college authorities for their presence and support.

Head faculty in-charge Ms Alina Dcosta wrapped the event with conveying gratitude through vote of thanks.

Pehchan Quiz

The Department of BAMMC , along with the IQAC conducted an intra-collegiate online quiz named 'Pehchan Quiz?' on 20th to 23rd May 2020, The quiz was conducted on the theme of Mass Media, It involved questions on advertising, films, and journalism. While the lockdown period was on and the Covid-19 was threatening people's lives, the Department of BAMMC carried out this light hearted quiz to enlighten the mood of students and teachers by adding interactive features in their quiz like dialogues, images etc.
Mr Balkrishna Aeer was incharge of the activity and the same was supervised by Mrs Neetu Sharma, Co-ordinator of the Department.
The Department of BAMMC was truly thankful to the Management, Principal and Vice-Principals of the college along with HODs, Coordinators and professors who actively participated in the quiz and encouraged their students to do the same.
The Quiz received a huge number of 430 as responses and all the participants were felicitated online with a certificate of participation.

The link for the quiz is mentioned below along with the certificate template and attendance is provided as well:

A guest lecture by Mr Nitin Vaidya

January 18th 2019: "Today's media is the best suitable media for young generation" said the Director of Dashmi Creation and Ex Head of Zee Marathi, Mr Nitin Vaidya who graced VIVA College's Department of Mass Media on 17th January 2019 From 10:30am-12pm in Seminar Hall, New Campus.

Coordinator Mrs Neetu Sharma welcomed the guest and attended his session along with other staff members and students.

Through his talk, Mr Vaidya opened up a really effective gate to discuss with students the contemporary challenges and expectations to be a part of Media Industry. After graduation all students searching for a job. But it is very important for them to start internships when they are studying. Getting an internship suiting your talents is a lot easy with correct attitude and steps, is what he told students.

In last 20 years the industry has changed a lot. The perspective of audience has changed totally and this is exactly the advantage for young media lovers as they have new and wide scope of work now. Young students must take this as a positive situation. This advice of Mr Vaidya was very helpful for students.

With such great experience that he has and his easy going talking skills, Mr Nitin Vaidya delivered an amazing lecture.

Asst Prof Alina Dcosta gave vote of thanks on behalf of the department

'विवा'च्या विद्यार्थ्यांनी घेतला बाजारपेठेचा अनुभव...

वसईः विरार येथील विवा महाविद्यालयाच्या बीएमएम विभागाच्या वतीने अलीकडेच लाइव्ह बाजारपेठेचे आयोजन करण्यात आले होते. या बाजारपेठेचे उद्घाटन व्यवस्थापन समितीचे विश्वस्त आमदार हितेंद्र ठाकूर यांच्या हस्ते करण्यात आले. या वेळी विद्यार्थी आणि शिक्षक मोठ्या संख्येने उपस्थित होते. 'बीएमएम'मध्ये प्रथम वर्षात शिकणाऱ्या विद्यार्थ्यांना मार्केटिंग अर्थात विपणनाचे महत्त्व पटावे आणि उत्पादकाने आपल्या उत्पादनाची विक्री कशी करावी याचे धडे या विद्यार्थ्यांना मिळावे यासाठी या विषयाचे शिक्षक मोहसीन शेख यांच्या संकल्पनेतून साकारलेल्या या बाजारपेठेत १४ गटांमधून १४० विद्यार्थी सहभागी झाले होते. सहभागी झालेल्या विद्यार्थ्यांनी दैनंदिन जीवनात उपयुक्त ठरणाऱ्या जीवनावश्यक वस्तू आणि खाद्यपदार्थ यांसारख्या वस्तू विक्रीसाठी ठेवण्यात आल्या होत्या. या विक्रीतून मिळालेला निधी विवा ट्रस्टच्या शारदामाता विद्याश्रम न्यासाला देण्यात आला.

कुर्ल्यात गोळ्या घालून गुंडाची हत्या

मुंबई, दि. ५ - कुर्ल्यामधील हलवा पूल येथे पूर्ववैमनस्यातून जानू पवार उर्फ बिल्ला या गुंडाची गोळ्या घालून हत्या करण्यात आली. आज सकाळी दिवसाढवळ्या ही घटना घडली असून त्यानंतर परिसरात तणावाचे वातावरण निर्माण झाले. मारेकऱ्यांची ओळख पटली असून विनोबा भावे नगर पोलिसांनी बिल्लाचा सावत्र भाऊ विनोद पवार याला ताब्यात घेतले आहे.

कुर्ल्यातील विनोबा भावे परिसरात नागरिकांना धमकावणे आणि त्यांना मारहाण करणे यासारख्या अनेक गुन्ह्यांची नोंद मुंबईतल्या विविध पोलीस ठाण्यांत बिल्लावर आहे. काही दिवसांपूवीच बिल्ला जामिनावर बाहेर आला होता. मंगळवारी सकाळी बिल्ला हलवा पूल येथून जात असताना दुचाकीहून आलेल्या दोघांनी त्याच्यावर दोन गोळ्या झाडल्या. रक्ताच्या थारोळ्यात पडलेल्या बिल्लाला जमावाने तातडीने रिक्षातून सायन रुग्णालयात नेले. मात्र उपचारादरम्यान त्याचा मृत्यू झाला. पूर्ववैमनस्यातून ही हत्या करण्यात आल्याचे पोलिसांकडून सांगण्यात आले. बिल्लाने विनोदचा भाऊ दीपक पवार याची काही वर्षांपूवी हत्या केली होती. त्याच वादातून बिल्लाची हत्या केल्याची शक्यता वर्तवली जात आहे.

महाआघाडीची बैठ

मुंबई, दि. ५ - काँग्रेस-राष्ट्रवादी काँग्रेस यांच्या महाआघाडीत प्रकाश आंबेडकर यांच्या वंचित बहुजन आघाडीचा समावेश करण्यासाठी आज झालेली बैठक पुन्हा एकदा निष्फळ ठरली आहे. आजच्या बैठकीत आंबेडकर यांनी लोकसभेच्या ४८ जागांपैकी चक्क २२ जागा मागितल्याने महाआघाडीचा तिढा आणखी वाढला आहे. त्यामुळे पुढच्या आठवड्यात काँग्रेस अध्यक्ष राहुल गांधी यांच्यासोबत आंबेडकर यांची बैठक करण्याचा निर्णय आजच्या चर्चेत निश्चित करण्यात आला.

विवा महाविद्यालयाच्या लाईव्ह बाजाराला मिळाला उत्स्फूर्त प्रतिसाद

नालासोपारा, दि. ५ - विरार पश्चिमेकडील विवा महाविद्यालयाच्या बीएमएम विभागातर्फे एका लाईव्ह बाजारपेठेचं नुकतचं आयोजन करण्यात आले होतं. प्रथम वर्षाच्या विद्यार्थ्यांना मार्केटिंग अर्थात विपणनाचे महत्त्व पटावे आणि उत्पादकाने आपल्या उत्पादनाची विक्री कशी करावी याचे धडे या विद्यार्थ्यांना मिळावे यासाठी विषय शिक्षक मोहसिन शेख यांच्या संकल्पनेतून साकारलेल्या या बाजारपेठेत १४ गटांमधून एकंदर १४० विद्यार्थी सहभागी झाले होते. या बाजारपेठेचं उद्घाटन विवा व्यवस्थापन समितीचे विश्वस्त शिखर आ. हितेंद्र ठाकूर यांच्या हस्ते करण्यात आले.

उत्पादनाची अधिकाधिक विक्री आणि त्यातून अधिकाधिक नफा हा कोणत्याही विपणनाचे मूलभूत तत्त्व असते. म्हणूनच या बाजारपेठेत विद्यार्थ्यांना स्वतः उत्पादने तयार करून त्याची पब्लिसिटी करून त्या उत्पादनाची विक्रीही करायची ही मुख्य अट ठेवली गेली होती. त्यामुळे दैनंदिन जीवनात उपयुक्त ठरणाऱ्या वस्तूंपासून, विविध खाद्यपदार्थ अशा श्रेणीतल्या उत्पादने या बाजारपेठेत उपलब्ध होते. या उत्पादनांच्या विक्रीतून झालेला १५ हजार रुपयांचा नफा विवा ट्रस्टच्या शारदा माता विद्याश्रम न्यासाला सुपूर्द करण्यात आला. यावेळी विवा व्यवस्थापन समितीच्या सचिव अपर्णा ठाकूर, विवा महाविद्यालय प्रभारी प्राचार्य डॉ. ए. पी. पांडे, महाविद्यालयाच्या उपप्राचार्या प्राजक्ता परांजपे, बीएमएमसह इतर शिक्षक आणि विद्यार्थी उपस्थित होते.

'Understanding Brand' by Mr Kumar Ganesan

February 26, 2019: The Department of Mass Media of VIVA College had a remarkable lecture for its 84 aspirant advertising students on 'Understanding Brand' Mr. Kumar Ganesan on 26th February 2019 from 09:45am to 12pm in Reading Room, Library, New Campus.

Mr. Ganesan is copywriter, author, leadership coach, brand strategist and certified e3ian. He is First generation entrepreneur who co-founded Kaleido Communications- an advertising and marketing communications agency catering to clients that include prestigious brands like Reliance Jewels, Aamby Valley City, Sahara Star Hotel, Zee Group, Peninsula Land, E&G Group, and Godrej Properties to name a few. He worked with various popular firms like Network Advertising Private Limited, GMASCO, UK Multinational M.K. Electric (I) Ltd. With such solid experience, his lecture was a delight of information and techniques in brand positioning for students. VIVA College Co-ordinator Mr. N. Kutty is to be thanked to bring Mr Ganesan's profile in glance for having a lecture.

Shruti Ghag, TYBMM Advertising student started the lecture by introducing Mr Kumar to the students. He explained brand as a promise, perception, expectation, and persona. Through a PowerPoint Presentation he took students on a ride of working methods and tips-&-tools of advertising industry. Considering the variety of students Mr Kumar made his lecture a communicative one with easy flow of language and best ad examples. He later gave 'Ten Commandments of Brand Building'- 10 mantras to create a successful brand position and advertisement. The highlight of this lecture was the videos Mr Kumar played to make student understand better about what he is explaining. He also gave reference of books to read to figure more about advertising, marketing and buying-selling. Students' participation and engagement in this lecture was clearly visible.

VIVA College Co-ordinator Mr. N. Kutty also made it to the lecture and had a discussion with students about the importance and need of being hungry for knowledge to cope up with the creative industry. He encouraged students to ask any doubts they have in mind.

The co-ordinator of BMM, Mrs Neetu Sharma was present for lecture along with other staff members.

Suraj Kokare, TYBMM Advertising student offered vote of thanks on behalf of the college and department to Mr Kumar Ganesan.

Brief report of programme (in 250 -300 words)	The Department of Biochemistry in collaboration with IQAC department, VIVA College of Arts, Commerce & Science had organized a two day event 'BIOBOND II' which was held on 2nd and 3rd of February 2023. There were many activities conducted in this two day event such as: 1)Quizophilia (Quiz): Quiz related to biology, biochemistry etc. 2)Bio-colliders (Debate): Debate between students related to some scientific topics, there were around 2-3 rounds in this activity. Final winner was decided by judges. 3)Biomony(Matrimony of Molecules):Students were supposed to pick the chits in which different molecules were written eg. Carbon. Students were supposed to define this molecule as if on any matrimonial site. 4)Bio Charades: Biological dumb charades 5)Periodic housie: Housie of periodic elements 6)Bio-heist (Treasure hunt): Treasure hunt with biological clues. The motto of this event was to create bonding between students of all the departments of college and increase their knowledge about science, which was done very successfully with the help of this event.

Brief report of programme (in 250 -300 words)	The Department of Biochemistry in collaboration with IQAC department, VIVA College of Arts, Commerce & Science had organized an infographic poster making competition with title **"FIND IN THE WILD"** on 8th October, 2021. Infographic is a visual representation of information and data into an easily understandable format. The event involved making such posters while mentioning some of the newly discovered flora and fauna of the country. Main reason for naming this event as "FIND IN THE WILD" is because it was

	scheduled during National Wildlife Week in the first full week of October dated 2nd October to 8th October. This event involved the infographic making skills of the talented students, as well as their research ability was also showcased. The entire competition was conducted online and around 8 students had participated in this competition. The competition asked students to make the infographic and submit them online via a google form on 6th October,2021. After the complete submission of an infographic from students, the results were announced via email to all the students who were awarded in 1st, 2nd and 3rd positions as decided by the judges.

Brief report of programme (in 250 -300 words)	On the occasion of safe internet day (9th Feb 2021), the Department of Biochemistry and Botany had organized an event entitled" Internet: Virtual or Real". Considering the pandemic situation, the program was conducted virtually where the participants from all the streams can participate freely. For this event, more than twenty students participated which included graduate as well as post graduate students from all the streams of college. For celebrating this day, students were given two topics namely CASE STUDY ON MISUSE OF INTERNET and USE OF INTERNET – DOs AND DON'Ts on which they had shared their views by presenting posters, sketches and powerpoint presentations. Competition of poster presentation was judged by Mr. Johnson Varkey from department of Zoology, Sketches were judged by Ms. Tanvi Bore from department of Biochemistry and at the same time powerpoint presentations were judged by Mr. Hensal Rodrigues from department of Botany. The moto behind celebrating this event was to create			

	awareness about the use of the internet as well as giving a platform to the students to share their views. Students' active participation in all the events had made the program successful. Finally certificates were given to winners as well to all the participants.

Brief report of programme (in 250 -300 words)	The visit was planned and organised by the Department of Biochemistry, for the students of class S.Y. and T.Y. Biochemistry. The importance of this one day field trip is to provide knowledge about different practices taken in action in any agro-tourism farm. The farm is located near a small village named as bhalivali which is connected to NH48, few kilometers away from Virar. The students were instructed a day prior to the visit about the schedule and carriables. On the day of the trip, the students were asked to report in college by 8.00 am. A bus was arranged for travelling as the location of visit is about 12 kms far from the point of gathering. Teachers and students stepped on to the bus at 8.20 am and we made it to the agro farm by 9.15 am. The officials of the agro farm were notified in advance and hence the prerequisites of the visit were arranged by them. After the breakfast, sharp at 10.00 am the visit began and the tour guides or the experts of the farm started providing information to students. The pupils were very enthusiastic about the visit with a great amount of concentration for getting the knowledge. They were subjected to various practices opted by the people working in the farm. Various handmade items, farming, animal husbandry, etc. were among the list of activities and objects available at the farm. The visit officially ended at 1.30 pm and the students were asked to have lunch at the same farm which also had a small cafe for people travelling through the highway. The students and teachers were dropped to college after the field visit from where everyone can easily head towards home.

Brief report of programme (in 250 -300 words)	Department of Biological sciences, which includes Department of Biochemistry with a few others, had organised a Coastal Cleaning drive on 21st Sept, 2019 on the occasion of International Coastal Cleanup day. The merger of teachers and students made the crowd of an enormous amount which is an optimum for such an event. The location of cleanup drive was Arnala beach which is 8 kms away from Virar Railway station as well as VIVA College old campus. Being the most crowded beach of Virar, it is also the most unclean beach in the whole Vasai-Virar belt of beaches. The date picked up for the cleanup also suits the motive as it gets more dirty due to Ganpati Visarjan activities. The students were asked to report at the Arnala Beach directly at 7.30 am as anyone can reach there by bus which is quite frequent.After everyone gathered, gloves and face masks were provided to all the students and teachers and everyone began with the cleanup. The cleanup was done until a big patch of the beach was free from waste and litter. The drive was conducted for almost 2 hrs. Post cleanup, the waste was collected in garbage bags and kept near the dumpster. The students were provided with some snacks after the cleanup. The drive was successfully concluded with a happy note and a group picture. Everyone winded up and left for home by 10.45 am.

Brief report of programme (in 250 -300 words)	The Department of Biochemistry had organized a campaign on the event WORLD AIDS DAY, dated 30th November, 2019. The purpose of the campaign was to spread awareness of the disease and to wave off misconceptions that are spread around. Before initiating, the students were provided with some instructions and they were divided in groups per teacher. The students from SY & TY Biochemistry volunteered for the campaign. All of them were provided with a few questions where they would interview students and teachers from other departments, as well as common people, subject to whoever wishes to answer. Students had not only cleared confusions, but they even got a chance to learn something for themselves. All the teachers were helping out the student groups wherever required. At the end of the whole event, everyone interviewed was satisfied with the clear concepts. The whole aim of the event was provision of knowledge for the ones who lacked it at some point and it was achieved with the voluntary help of all students and extremely cooperative people who were interviewed.

Brief report of programme (in 250 -300 words)	The Department of Biochemistry had organized a short one-day industrial visit to Ganga Pharmaceutical Industry on 3rd February 2020 in order to complete the need of the S.Y. educational need because it was part of their syllabus. The main aim of this visit was to visualize the practical knowledge of pharmacology. On the day of visit, a total of 37 students with two teachers visited this industry. After taking an entry in industry, the manager of industry welcomed us and they took our introduction. After that they divided all students into two groups so each and every student got equal opportunity to visit the entire industry. So after some time, in first round manager took first group of students into working area of industry and after 2 hours in second round, manager took second group into the working area of industry of students. In this visit each student got the opportunity to visit many industrial working areas like raw material storage, manufacturing unit area, medicine packaging area and quality testing area etc.

Brief report of programme (in 250 -300 words)	Department of Biological sciences had organized a poster presentation session-"Ricerca" on 8th February 2020 at Viva college old campus. Now Ricerca is basically an

	Italian word which means research or investigation or pursuit which was the base of this poster presentation. Around 150 students from FY, SY and TY from all biological sciences departments together were a part of this research meet. Various posters in the categories of Research and Review were displayed by the students from all the departments. For the evaluation process the Judges Ms. Madhavi Chauhan from Haffkine Institute and Dr Hitesh Shingadia, department of zoology from Mithibai college were invited as the Judges. Even the management of our college made their visit to boost the confidence of the participants and even shared their views for the same. Last but not the least Prizes were given in different categories to students like best poster design, best presentation 1st , 2nd and 3rd prize for research as well as review poster. Special categories prizes like best presenter, awareness posters, best innovative thinking etc were also awarded to the students. The main aim of this activity was exposing the students to the concept of how the posters for research work are made as well as this helped them in improving their presentation skill as well which was the basis of this research meet

National Science Day is celebrated every year on February 28. On this special occasion, the Department of Biochemistry, VIVA College of Arts, Commerce and Science organized a science fair for school and college students to memorialize the work done by Sir C.V Raman. The major motto of this activity was to make the students realize the importance of science. Several activities such as Open lab were planned where all the labs with instruments were kept open for students so that they can see various instruments and learn about them. Also, short science experiments were shown to them on a small screen

	which included 5 minute hacks related to science. There was also a museum created in the herbal lab where different specimens of snakes, fishes, plants, dried herbarium were kept for display. Students from Utkarsh English medium, Utkarsh Semi English medium and Duggad School – Gujarati medium were a part of this fair. Students from 3rd to 9th standard visited this fair. Competitions such as Innovation out of waste, Art on Plate (Petri plate art) and Presentation on Nobel Laureates were organized for students. Also after the competition petri plates were displayed in Room no. 304 so that school students can see them. Teachers and students from the Department of Biological Sciences played a major role in organizing this event. Also the trustees, management of the college visited the science fair. Ms. Chaitali Pandekar from Sathaye College, Vile Parle was invited to judge the activities of this event. The winners were awarded with medals and certificates.

DEPARTMENT OF BIOCHEMISTRY

Activity Report 2018-19

The academic year 2018-19 was filled with several academic and co-curricular activities and several achievements by students.

DEPARTMENT ACTIVITIES

- **Research Paper Presentation**

This activity allowed the students to know about how to select a proper research paper, skills to present the paper in front of audience, presentation style, their language and also how to promptly and effectively answer the questions from the audience. Impact and many more topics were presented by students. Time limit for single paper presentation was 5 minutes with maximum 10 slides. It was held on 3rd July 2018. This activity was held for 3hrs in 301 classroom, Old VIVA College.

- **World AIDS Day Campaign**

This event was held on 1st December 2018. Posters and red ribbons for the same were made by the students a day before the activity was held. This activity was conducted with a huge support from the DLLE team. The major motto of this activity was to aware the college students and the public around the college premises about the disease, it's causes, vaccines, medical support and educating them about the same. This activity

was carried out for 3 hrs in Old college premises. Different areas from the college premises were assigned for different groups of volunteers with one teacher in charge each.

- **Elocution Competition on National Youth Day**

Department of Biochemistry in hands with Department of Biotechnology and Department of Botany of VIVA College Arts, Commerce and Science organized an Elocution Competition. Several students from various departments of biological sciences took part. The main motto of this activity was to build up the enthusiasm in today's youth and encourage them all. This activity was held on 12th January 2019. Total 41 students participated, there was no language barrier. A set of topics such as Youth and Environment, Youth-The Superpower of Nation, Drug Abuse, Phantom Vibration Syndrome, Fear of missing out (FOMO), You only live once (YOLO), Section 377, Depression, Peer pressure, Peter Pan Syndrome and Youth Empowerment were also decided for the same and the students were given 2-3 days all to prepare for the same. There was a time limit given for each and every student to speak on the topic they selected. Also this competition was carried out in old college, seminar hall. The judging process was carried out by Mr. Digvijay Mishra, who is a great speaker and very talented in his field. 15 prizes were given in total. Prizes were also given for best

presenter and for best attempt. Finally the event was ended with a vote of thanks to our judge and all the teacher in charges and the volunteers.

Visit to Rohini Krushi Paryatan

Students of S.Y and T.Y Biochemistry were taken for feild visit on 11th September 2018. Also there were told to make projects regarding the same. Total number of 50 students were present for this visit. They saw and learned different varieties of irrigation methods, organic farming, vermiculture methods, different varieties of plants and animals.

Beach Clean-up Drive

Students of F.Y, S.Y and T.Y Biochemistry had participated in the beach clean-up drive organized by Biological Sciences on 15th September 2018 and 24th September 2018. Both the days were the next days of Ganpati Visarjan. All the accessories for cleaning were provided to the students. They were actively involved in picking up the waste and disposing them properly. This activity was carried out for more then 3-4 hrs. This activity helped the students to connect more with the nature and also they came to know the importance of cleanliness.

Visit to Sanjay Gandhi National Park

Students of F.Y Biochemistry were taken for a field visit to SGNP in the month of August. They visited Shillonda Trail where they saw different varieties of plants. Total number of students was 40.

Visit to Ganga Pharmaceuticals

Students of S.Y Biochemistry were taken to Ganga Pharmaceuticals in the month of February. Total number of students were 28. There they learned about raw materials processing and packaging of the pharmaceutical products. Students were also told to write a report on it as prescribed in their syllabus by University of Mumbai.

Brief report of programme (in 250 -300 words)	Each year, March 8 is observed as International Women's Day to celebrate the social, economic, cultural, and political achievements of women from all around the world. The day also focuses on a call to action for accelerating gender parity and setting agendas and goals in achieving these targets. Events, talks, and awareness campaigns are organized to achieve this goal. Students of the Department of biotechnology have organized a Women's day celebration for all the teaching and non teaching Staff. The celebration started with a warm welcoming of all the guests. There were few fun activities for the staff and students. The session ended with delicious snacks.

Brief report of programme (in 250 -300 words)	Operon Z, a dynamic intra college event, recently took center stage at our institution, creating an atmosphere of excitement, creativity, and collaboration among students, faculty, and staff. This innovative program aimed to showcase the diverse talents and ideas within our college community while encouraging interdisciplinary cooperation. The event, held over two days, featured a wide array of activities and competitions that engaged participants from various departments. One of the highlights was the Hackathon, where teams of students had 24 hours to develop cutting-edge solutions to real-world problems. Their creativity shone through as they presented projects ranging from sustainable agriculture solutions to healthcare innovations. Operon Z also emphasized the importance of academic and creative expression. It hosted a research poster presentation, allowing students to showcase their scholarly work, and an art exhibition where the college's budding artists displayed their talents. This fusion of science and art encouraged cross-pollination of ideas and inspired new perspectives. The event's closing ceremony was a grand affair, featuring performances by our college's cultural clubs and the announcement of competition winners. The winners were awarded prizes and recognition for their outstanding contributions.

Brief report of programme (in 250 -300 words)

For higher education, selection or placement of students at premier institutes/organizations is an important milestone in a student's academic journey. This is also pride for the department where the student does graduate. For budding biotechnologists, it is important to have guidance in their early phase of academics.

For the same, the department of Biotechnology had scheduled a guidance session on 21st Jan 2023. The resource person for the session was Dr. Amol Samant. And Mr. Girish Jamnekar was a co-host for the session.

Details of the session are as follows:

- Schedule: 8:30 AM to 10:30 AM, 21st Jan 2023
- The beneficiary of the session: FYBSc & SYBSc: 79 students
- Resource material provides:
  - Compiled list of national institutes which offers MSc/Msc Int PhD
  - Details about selection procedure/criteria of major national institutes.
  - Previous years question papers with answer key
  - Guidance on how to prepare for entrance and appear for an interview
- Students query was solved in Q&A session.

Resource person,
Dr. Amol Samant and Mr. Girish Jamanekar

Brief report of programme (in 250 -300 words)	The COVID-19 pandemic has had a severe impact on the lives of people. It has also increased the awareness of people with respect to healthcare. But, there is a large discrepancy in awareness of familiarity with sepsis and related conditions. Therefore, the Department of Biotechnology and IQAC of VIVA College are jointly organizing a seminar on 'Sepsis: Pathophysiology and Diagnosis' by Dr. Shuchita Deepak on Saturday, 26th November 2022. Certainly! Sepsis is a life-threatening medical condition that arises when the body's response to infection becomes dysregulated, leading to widespread inflammation and organ dysfunction. It is crucial to understand the pathophysiology and diagnosis of sepsis to effectively manage and treat this serious condition. In conclusion, sepsis is a complex and life-threatening condition that arises from a dysregulated immune response to infection. Early recognition and diagnosis are crucial for effective management, and a multidisciplinary approach involving healthcare professionals from various specialties is often needed to provide the best care for septic patients.

WORKSHOP REPORT COMPUTER AIDED DRUG DESIGNING

The Department of Biotechnology, Department of Bioanalytical Sciences and IQAC organised a 2-day online workshop on Computer Aided Drug Discovery and Designing. After taking all the necessary permissions, and as per availability of the resource person the workshop was scheduled on 19th and 20th of March, 2021. The resource person for the workshop was Dr. Sanket Bapat sir, assistant professor from MIT school of Bioengineering Science and Research, Pune.
For this workshop, along with the MSc Part 2 Biotechnology students (29), faculty from department of Biotechnology, Bioanalytical science and Biochemistry had participated.
The day wise report of the workshop is as follows:
Day1:
At 10:00 am - The workshop was inaugurated with the blessings of the Vice Principal & IQAC coordinator Dr. Deepa Verma and Vice Principal Mrs. Prajakta Paranjape.
At 10:15 am to 11:40 am - Dr. Sanket Bapat sir started his session.
His session covered the following topics
- Introduction to Drug Discovery and Designing concept.
- Theory concept as well as online demonstration of Drug Gene Interaction Database use.
- Data entry in online web based tool ProBIS.

Day 2:
Mr. Sharvil Shringarpure sir welcomed Dr Sanket Bapat sir. And Day 2 session commenced.
At 10:15 am Dr Sanket Bapat sir started his session.
His session covered the following topics.
- Recap of Drug Gene Interaction Database use.
- ProBIS data analysis
- Molecular Docking using AutoDock
- Docked ligand protein visualisation using Pymol.
- Q&A session

Later vote of thanks was given by Dr. Amol Samant sir and the session concluded at 1:55 pm.
Feedback of the organised workshop was collected from students through google form.

In-Silico PCR Analysis online workshop Report

Department of Biotechnology and IQAC of VIVA college, has organized a 3 day- online workshop **"In-Silico PCR Analysis"** on 26th June -28th June 2020. Dr Amol Samant from the Department of Biotechnology was the convener as well as one of the resource persons for this workshop. Dr Basil DMello and Mr. Mohammed Mubeen Shaikh from Department of Biotechnology, VIVA college were other 2 resource persons for this workshop. For this workshop more than 1000 applications were received from all over India. After screening 144 participants
were selected as representatives from all over India.

Day 1:

First session, Dr Basil DMello welcomed the Principal Dr. A. P. Pandey, Vice Principal Mrs. Prajakta Paranjape, Vice Principal and IQAC coordinator Dr. Deepa Verma and the Head of Biotechnology Department Dr. Rohan Gavankar. In the inaugural speech principal motivated the participants for the workshop. Mrs. Prajakta Paranjape (Vice-Principal) gave introduction about the different degree courses provided by VIVA college. Dr. Deepa Verma (Vice Principal and IQAC coordinator) encouraged all the participants by highlighting the importance of online learning and PCR activity. Later, Dr Rohan Gavankar introduced the Biotechnology department and activities conducted by the departments.

After the Inaugural session Dr Amol Samant, introduced the workshop and its objectives to the participants. Dr Rohan Gavankar introduced the resource persons to the participants.

First Learning session was conducted by Mr. Mohammed Mubeen Shaikh which covered the basic concepts of PCR working as well as online demonstration on primer designing.
In the second learning session Dr Basil DMello introduced the concept of Agarose Gel Electrophoresis and Spectrometry based DNA analysis.

As an asynchronous activity, participants were asked to do an assignment on primer designing after the session where in between breaks some quiz questions were given through www.mentimeter.com. Guidance on asynchronous activity was timely given even after the online session.

Day 2

On their WhatsApp group animation videos as well as day1 session videos were provided to take care of

technical problems, if a participant has faced during the session.

In the first learning session, Dr Amol Samant acquainted the participants about how to analyze PCR results, and guidance about troubleshooting with respect to AGE based analysis and PCR template preparation. He also gave schematic flow on PCR program design parameters, PCR component influence on successful PCR. In the second learning session Dr Basil DMello Introduced the concept of Virtual PCR learning. He guided students about how to use online sources to make the standardization process relatively simple. On the second day also, a quiz and virtual PCR based assignment was given and it was timely guided by all 3 resource persons.

Day 3

First learning session was conducted by Dr Amol Samant in which he introduced Multiplex PCR, Real Time PCR and its application in COVID-19 detection.

Second learning session was conducted by Mr Mohammed Mubeen Shaikh in which he gave a demonstration on COVID-19 Primer designing.

In third session all three resource persons answered participants questions which were submitted online as well as asked in QnA sessions. The workshop was then concluded by offering the vote of thanks and taking an online group photograph.

Throughout the workshop all 3 resource persons were engaged during and after the session throughout the day to solve the queries raised by participants and hence encouraged them to solve the assignment. As an open source practice, the session presentations were shared with all the participants which will be helpful to them for revision in future.

As per the instructions, students have submitted their feedback through online google form.

ACADEMIC VISIT REPORT

We, the Department of Biotechnology, VIVA college, Virar had applied for an educational visit at ACTREC for our department students. In response to our request, we had received a positive response from Dr. Shubhada Chiplunkar, Director ACTREC. On an account of ACTREC OPEN DAY 2018, 15 students of M.Sc.-I Biotechnology with accompanying faculty Dr. Amol Samant have visited ACTREC. Till Kharghar, train route and Kharghar railway station to ACTREC campus public transport bus were followed. After 3 hrs journey, we reached ACTREC campus at 9:00 AM. After a quick refreshment, students were asked to go through a poster display that was giving a message about cancer awareness to society. Later, a brief introduction about ACTREC was given by Dr. Ingale, and followed by this, Mr Nathan (ACTREC- research fellow) took us for ACTREC lab visit.

During visit students got exposure to different labs acquired with the state of art infrastructure and world-class experts. Brief about, scientific information shared by respective labs are as follows:

Lab 1: Cancer Research using Small Laboratory Animals
Dr. Arvind Ingle, Officer-in-Charge, Laboratory Animal Facility, ACTREC
The LAF demonstration had introduced some of the representative animal models maintained in the Laboratory Animal Facility of ACTREC, their characteristics, and usage for biomedical/ cancer research. Available animals encompass 10 basic strains of mice, 1 hybrid strain (B6D2F1) of mice, 14 transgenic mice, 9 knockout mice, and 23 crosses of Tg and knockout mice, one each Nude, SCID and NSG mice strains; 1 strain of rat; and 2 strains of hamsters, the majority of which are inbred.

Lab 2: Comparative Oncology Program and Small Animal Imaging Facility
Dr. Pradip Chaudhari, Scientific Officer G, CRI, ACTREC
The focus of the facility is on preclinical animal imaging and research on radiopharmaceuticals. The facility is utilized for preclinical PET, SPECT, and CT imaging involving rodents for basic and translational research projects of in-house scientists, other DAE units, academic institutes, and pharmaceutical industries. The facility is designing imaging protocols, development of animal models, data quantitation and analysis.

Lab 3: Raman Spectroscopy for Cancer Diagnosis
Dr. Murali Krishna Chilakapati, Principle Investigator, Cell & Molecular Imaging Group We had a briefing about the background on the Raman effect/spectroscopy and its application in the diagnosis of oral and cervix cancers.

Lab 4: Principles and practical aspects of Transmission Electron Microscopy Ms. Sharada Sawant, Officer-In-Charge, Electron Microscopy, CRI, ACTREC The Transmission Electron Microscopy Facility strives to provide high-quality images with advanced techniques and equipment required for investigators to critically evaluate and interpret their data. The facility is open to in-house researchers, clinicians as well as external investigators, and users. They have JEOL JEM 1400Plus TEM which works at

80-120KV with 0.2nm resolution and magnification up to X12,00,000 which is suitable for biological, polymer, and material science applications.

Lab 5: Flow Cytometry

Dr. Shubhada V. Chiplunkar, Principal Investigator & Officer-In-Charge; Flow Cytometry
The Flow Cytometry Facility (FCM) is a centralized facility used by scientists/ clinicians from ACTREC for a wide range of research applications including immunophenotyping, multicolor analysis, DNA content and cell cycle analysis, apoptosis and proliferation studies, detection of mitochondrial membrane potential, stem cell analysis - side cell population, dermal stem cell analysis, detection of circulating tumor cells, functional assays like intracellular calcium influx, oxidative burst analysis, intracellular cytokine analysis, cytometric bead array assay for the detection of cytokines, and 4-way live cell and single cell sorting. The facility has four flow cytometers: (a) FACSAria-I equipped with 3 lasers (407 nm, 488 nm, 633 nm), can perform 11-color analysis and 4 waysorting, (b) FACSCalibur equipped with one laser (488 nm) and can perform 3-color analysis (c) FACSAria-III equipped with 5 lasers (407 nm, 488 nm, 633 nm, 561 nm and UV- 355 nm) which can perform 18 color analysis with 4 way sorting, and (d) Attune NxT equipped with 4 lasers (407 nm, 488 nm, 633 nm, 561 nm) and can perform 14 color analysis.

Lab 6: Protein Structure for Drug Discovery

Dr. Ashok Varma, PI, Macromolecular Crystallography & X-ray Diffraction Facility, ACTREC The dedicated facility has (a) Crystallization unit, (b) Microscope to visualize the crystals, (c) Microstar -Microfocus Rotating Anode, and (d) Integrated computer controller motorized Image Plate detector and (e) computers to process the data and determine the crystal structure of proteins. The ACTREC facility also provides hands-on training to different university. Facility helps scientists, research scholars in protein crystallization, structure determination and refinement.

Lab 7: Composite Lab

Dr. Preeti Chavan, Office-In-Charge, Composite Lab, ACTREC
Composite Laboratory is the central diagnostic laboratory of ACTREC-TMC and processes samples for routine hematology, clinical chemistry including immunoassay tests and emergency laboratory services. For the demonstration purpose, they displayed the functioning of an equipment called OSMOMETER. It is an instrument capable of determining the osmolality of a solution by measuring the activity of that solution which is called a colligative property. It helps differentiate between various causes of hyponatremia and aides in the better management of the condition.

Lab 8: Radiation Oncology

Dr. Tejpal Gupta, Officer-in-Charge, Department of Radiation Oncology, CRC, ACTREC The department of Radiation Oncology at ACTREC provides high-quality services, such as generating high-quality evidence for the use of advanced radiotherapy technology for various cancers including brain tumors, head & neck, breast, cervix, bladder, prostate cancers, and hematolymphoid malignancies. Here, students got exclusive exposure to "BHABHATRON", the indigenous telecobalt machine, is one

of the successful products developed by Bhabha Atomic Research Centre, Mumbai for cancer treatment.

Apart from the assigned lab discussion, our students got guiding tips from ACTREC research fellows about opportunities in ACTREC. After a wonderful journey in ACTREC, we left campus by 2:45 PM.

We are thankful to ACTREC for giving exclusive exposure to our students. Also, thankful to our college authority for their kind support.

Brief report

In the academic year 2022-23 Department of Botany and VIVA College Herbarium (VCH) introduced certificate courses for the students in addition to the curriculum. The course was successfully completed in the month of April. Duration of the course was 30 hours. Curriculum was set and delivered by the in-house faculty and an external resource person (Rupali Deshmukh). Mode of the delivery of the course was offline in the Old VIVA College laboratory. On the completion of the course evaluation test was conducted and certificate was issued.

It featured Five main activities: Snakes and Ladders, Treasure Hunt, Feel the Aroma, Millets and Food, Crown of Nature and Guest Lecture Fungi- Fungi The link of life event aimed to provide entertainment, challenge, and sensory experiences to attendees of all ages. Guest Lecture The guest lecture on "Fungi - The Link of Life" was a captivating and informative event that shed light on the importance and fascinating aspects of fungi in our ecosystem. The lecture aimed to educate the audience about the significant role fungi play as a crucial link in the cycle of life. Speaker :The lecture was delivered by Dr. Shashirekha Suresh kumar , a renowned mycologist with extensive knowledge and expertise in the field of fungi. Their profound understanding and passion for the subject matter made the lecture engaging and compelling. Plants and Ladders: The Plants and Ladders activity was a classic board game brought to life. Participants rolled dice and navigated through a life-sized game board, encountering both ladders that helped them advance and snakes that set them back. The interactive nature of the game created a competitive and enjoyable atmosphere, keeping everyone on their toes. Trek, Trail and Collect : The Treasure Hunt was an adventure-filled activity that sparked the participants' curiosity and problem-solving skills. Clues were strategically placed around the venue, leading the participants on a thrilling quest to uncover hidden treasures. Teams collaborated and utilized their wit and teamwork to decipher clues and reach the final treasure location, making it a memorable and rewarding experience. Feel the Aroma: The Feel the Aroma station offered a unique sensory experience for participants. It featured various scents and

	fragrances from different aromatic substances. Participants were blindfolded and presented with different scents, challenging their olfactory senses to identify the aromas correctly. This activity provided an opportunity for participants to engage their senses in an immersive and captivating manner. Followed by Crown of Nature and Millets and Food Overall, the event was a resounding success. It provided a diverse range of experiences that catered to different interests and age groups. Participants enjoyed the competitive spirit of Snakes and Ladders, the adventure of the Treasure Hunt, and the sensory stimulation of Feel the Aroma. The event fostered a sense of community and camaraderie, leaving attendees with lasting memories and a desire for future events of similar nature.

GreenLine (Party 1)

Concerning environmental activities with the students of

Vishnu Waman Thakur Charitable Trust's, Bhaskar Waman Thakur College of Science, Yashvant, Keshav Patil College of Commerce, Vidhya Dayanand Patil College of Arts, (VIVA College) (Party 2)

Description of organization

GreenLine is an environmental organization that works with citizens to help create awareness about environmental issues that affect our city and empower them to take proactive measures towards a healthier environment through our three Programmes:

1. Green Schools Campaign
2. Green Lead Volunteers
3. Green Lifestyle Initiative

The age of the target audience for each campaign differs.

- **Background**

Through the Green Lead Volunteer Programme, **Party 1** aims at working with motivated youth, training them to take up environmental leadership roles and providing them with field experience. Through activities like conducting surveys, awareness activities and clean-up drives we'd like to foster a sense of ownership that is taken up by college students of **Party 2**

Details

Party1 will be providing a structured framework for environmental activities which would be surveys, awareness-based activities as well as guidance and skill development workshops and volunteering opportunities which the students of **Party 2** can take part in. Students will be asked to prepare reports of their work. GreenLine will be providing the students with a certificate of Completion on successfully completing the tasks.

- **Outcome**

The outcome of this partnership which is effective from **15th January 2022** to **31st March 2022** is to provide the youth with opportunities to learn and gain experience in the field of environment which will help shaping them into future environmental leaders while taking part in various environmental activities with quantifiable outcomes.

Brief report of programme (in 250 -300 words)	The "Trees of Mumbai" project was an engaging and educational initiative organized by Greenline, aimed at encouraging students to actively participate in documenting the diverse tree species found in Mumbai. The primary objectives of the program wereto raise awareness and document the various tree species present in Mumbai. Also to compile data for the creation of a comprehensive data on "Trees of Mumbai." Training Session: Mr. Kayden Anthony organized an online training session to equip students with the necessary knowledge and skills for documenting trees effectively. The session provided students with the knowledge on how to use the Google Form for data collection and fundamental understanding of tree identification and documentation procedures. Student Participation: Over the course of one month following the training session, students actively engaged in documenting trees in their respective localities. Each student was provided with a Google Form specifically designed for tree data collection. The form included fields for recording tree species, location (including GPS coordinates) and any notable characteristics of the tree. Results: The student-led documentation efforts yielded valuable data on a multitude of tree species across Mumbai. This data will be instrumental in the creation of the data on "Trees of Mumbai" Conclusion: The "Trees of Mumbai" documentation program, spearheaded by Greenline, successfully engaged students in a meaningful and educational project. It not only raised awareness about the importance of trees in urban environments but also empowered students to actively contribute to the documentation of Mumbai's rich tree biodiversity. The collected data will serve as a valuable resource for years to come, benefiting both the local community and environmental enthusiasts.

Student and Teachers participation in the competition	Second Day: Expert Talk on Biodiversity Known yet Unknown by Dr. Ninad Raut	Our Chief guest and judge Mr. Sahadev Sawant Announcing the Winners in the Competition.	
Brief report of programme (in 250 -300 words)	The event was split into two days, On the First Day i.e.2nd March 2021 a live drawing Competition was organised, with the title of Wildlife including plants and animals. The instructions and details were disseminated via the Brochure and registration for the same was undertaken. About 30 odd students from different fields of the college participated which included staff as well. They drew immensely impressive drawings. These Drawings were then Displayed on the next day's main event along with declaration of results.

	On the 2nd Day i.e. 3rd March 2021 (World Wildlife Day) there was a live session which was undertaken on google meet and streamed live on youtube. The Session was graced with the presence of our Principal and Vice Principals. The Event took place firstly with the expert talk by our chief guest Dr Ninad Raut on the topic, "Biodiversity Known Yet Unknown". This was followed by a question and answer session. Thes second half of the day was the prize distribution ceremony. For this part we were graced by the presence of our 2nd Chief guest and judge Mr. Sahadev Sawant. All the Participants images were displayed for viewing. Following Mr. Sawant Declared the results and critically explained their winning position. Certificates of participation and winning were provided to the participants who filled the feedback form. The two day event was a total success the students left with more knowledge pertaining wildlife

Brief report of programme (in 250 -300 words)	On the occasion of safe internet day (9th Feb 2021), the Department of Botany and Biochemistry had organized an event entitled" Internet: Virtual or Real". Considering the pandemic situation, the program was conducted virtually where the participants from all the streams can participate freely. For this event, more than twenty students participated which included graduate as well as post graduate students from all the streams of college. For celebrating this day, students were given two topics namely CASE STUDY ON MISUSE OF INTERNET and USE OF INTERNET – DOs AND DON'Ts on which they had shared their views by presenting posters, sketches and powerpoint presentations. Competition of poster presentation was judged by Mr. Johnson Varkey from department of Zoology, Sketches

	were judged by Ms. Tanvi Bore from department of Biochemistry and at the same time powerpoint presentations were judged by Mr. Hensal Rodrigues from department of Botany. The moto behind celebrating this event was to create awareness about the use of the internet as well as giving a platform to the students to share their views. Students' active participation in all the events had made the program successful. Finally certificates were given to winners as well to all the participants.

Brief report of programme (in 250 -300 words)	Gorai is a place known for its eastern Indian community and the mangroves it upholds. The students of TY batch 2019-20 were taken to this place to make aware about the importance of mangrove forest and how it holds a vast diversity of ecosystems intact along with keeping our lands safe from floods. The students were made acquainted with many true mangrove plants and how they have adapted to saline habitat with modifications in certain characteristics. Mangrove associates and invaders were also studied during this visit. plants related to families of Angiosperm syllabus were explained on field to give the students a live experience of these families and their habitats. Students were also shown Gorai as the type locality of two plants which were recently described namely, Cistanche tubulosa subsp. palustris S. Dutta, H. Rodrigues & K. Chakral, and Avicennia marina var. acutissima f. pumila S. Dutta, K. Chakral, & H. Rodrigues. The importance of Type locality in botany and taxonomy were explained to the students. VIVA college has a beautiful wetland behind it, wetlands hold the excess of water which floods the mainland during monsoon and this becomes important to know about. Hence the students of TY were taken to the wetland to make them aware of the wetland for our community and how the plants growing in such wetlands are important to keep the wetland alive. A walk around the periphery of the wetland was conducted and students were shown man wetland dwellers which inhabit these areas. students were exposed to various aspects of plant morphology with examples from the wetland flora. about 40 species of plants were studied during this visit

Introduction:

Herbarium, collection of dried plant specimens mounted on sheets of paper. The plants are usually collected in situ (e.g., where they were growing in nature), identified by experts, pressed, and then carefully mounted to archival paper in such a way that all major morphological characteristics are visible (i.e., both sides of the leaves and the floral structures). The mounted plants are labelled with their proper scientific names, the name of the collector, and, usually, information about where they were collected and how they grew and general observations. The specimens are commonly filed in cases according to families and genera and are available for ready reference.

Herbarium collections are often housed in botanical gardens, arboretums, natural history museums, and universities. The largest herbaria, many of which are in Europe, contain several million specimens, some of which date back hundreds of years. Herbaria are the "dictionaries" of the plant kingdom and provide comparative material that is indispensable for studies in plant taxonomy and systematics. Given that nearly every plant species has a dried "type specimen" on which its description and Latin name are based, taxonomic disputes are commonly resolved by referencing

type specimens in herbaria. The collections are also essential to the proper naming of unknown plants and to the identification of new species. (https://www.britannica.com/science/herbarium-botany)

Blatter Herbarium: The Blatter Herbarium is an internationally recognized herbarium for Taxonomic studies and allied branches in Botany. It was established in 1906 in St. Xavier's College, Bombay, by the Jesuit Priest - Rev. Fr. E. Blatter. In 1941, it was renamed, "The Blatter Herbarium" by Rev. Fr. H. Santapau, who served as its director for many years. Fr. Santapau later became the Director of the Botanical Survey of India at Calcutta. He was awarded the `Padmashri' by the Government of India and the `Birbal Sahani Medal' by the Indian Botanical Society in 1964 for his services to Indian botany. BLAT is listed in the Index Herbariorum published from KEW - Royal Botanic Gardens.

- The students were taken in two different batches on two different days to the two known herbaria's in Mumbai namely, Blatter herbarium and R. D. National College Herbarium

Minutes of the visit:

- **At Blatter herbarium** the students were guided by **Mr. Praveen Kale, Assistant curator**. He explained the history and importance of Blatter herbarium
- the students were first taken to the library of Blatter herbarium and were shown old literatures of India like the **Hortus Malabaricus by Van Rheede** (1600**), Linnaeus Species Plantarum** (1753), **Fl. Maharashtra by M.R. Almeida (2000's)**. They were explained the importance of Botanical illustrations in plant taxonomy through Van Rheede's illustrations and also how to interpret taxonomic data through Linnaeus Species Plantarum.
- Students were exposed to the variety of taxonomic literature which dates back to the 17th Century, floras, journals, field books etc.
- They were then taken into the Herbarium section, where the importance of herbarium sheet was made known. they were briefed about how to make an herbarium sheet and what are

the criteria's required to make a sheet. Various algal, pteridophytes and angiosperm specimens were shown along with Type specimens

- Students then seen the collection of Blatter herbarium which included, plant-based products, lichens, double coconut, Entada Fruit lomentum, various wood types, etc.
- Finally, there was a good interaction, as the students posed their questions regarding herbarium and their doubts.
- The sessions ended by the students paying their feedback on the book of Blatter herbarium.

RDNCP Herbarium:

The Herbarium was inaugurated By Dr. K. N. Gandhi, Senior Nomenclatural Registrar Harvard, University. The Herbarium was single handedly initiated by Dr. Suchandra Dutta in which the concept of Undergraduate research is very vastly promoted. The Herbarium has discovered a few new species and varieties, conducted nomenclatural corrections for various plant taxa's and many more taxonomic researches. It consists of Type specimens, and specimens from throughout India. with special collections from North India (including certain parts of the Himalayan ranges) and Maharashtra. Special emphasis is given to plant-based products and a good collection is instilled at the herbarium. The Herbarium also takes in projects and conducts courses on Herbarium. The Herbaria is recognised internationally by organisations like tropicos.org, ipni.org and has got permission for digitalization of the specimens.

Minutes of the visit.

- In the afternoon the students assembled at **R. D. National College**. Here the students were guided by **Dr. Suchandra Dutta Assist. Prof. Dept. of Botany**, who gave emphasis on how to develop an Herbarium.
- The students were given pointer on how to makes their own herbarium for the college, as RDNCP is a developing herbarium, it was the best place to visit to enhance the students interest in making an herbarium

- Here they were made aware on the importance of making an herbarium for the college, and how every student can help in some way or the other to contribute to the development of the Herbarium
- They were also shown how to apply basic knowledge to interpret taxonomic problems with an example of ***Hibiscus lilliflorus***
- The students were then shown the Isotype of ***Hibiscus hirtus* L. var. *inarticulatus* S. Dutta, H. Rodrigues et. K. Chakral.,** deposited at RDNCP, and were told about the weightage and importance of Type specimens at an Herbaria.
- They were also explained how simple basic knowledge of Graduation in Botany can help discover new species.
- Our college also **deposited about 40 herbarium specimens of SY 2018-19** batch to create ties and increase interdepartmental connections for future Taxonomic studies for the students.

TY Botany students were given insight on how to develop an Herbarium by Dr. Suchandra Dutta

Discussion of Taxonomic characters for herbarium identification

A Leap Forward in Understanding Plant Taxonomy – Plant family food (2019-20)

Date	**Throughout the academic year**
Venue	**VIVA college, Virar (W), 401303**
Target students	**TY Botany & TY BZ**
Accompanied Professors	**Mr. Hensal Rodrigues**

Activity conducted w.r.t. syllabus – Edible plants in relation to Plant Taxonomy:

This activity has been implemented to make the students aware of the plant families of which the students of third year study as part of their curriculum. An innovative way to give the students insight into the importance of plant names and their parts used along with uses. It makes a connection of studies and food we consume in our everyday life. This activity keeps the students updated with botanical names of the plants they studied, and is a unique aid to memorise the same.

The activity is conducted weekly on Saturdays. The students are given a Theme of any plant family a few days prior, and are advised to bring dishes made from the members of the said family. On the activity day the students along with the teacher open up their lunch boxes together and study the plants brought, by explaining their scientific name, common name, part used and uses, which makes them aware of the plants they are consuming. The studied plants are then documented by the students photographically and also, they also bring forth the information through WhatsApp group.

A Leap Forward in Understanding Plant Taxonomy – vegetable Market visit (2019-20)

Date	**During monsoon**
Venue	**Virar vegetable market east**
Target students	**TY Botany & TY BZ**
Accompanied Professors	**Mr. Hensal Rodrigues, Mr. Vaibhav Satvi**

Introduction: A field trip was conducted specially for the students of Third year Botany and Botany-Zoology to understand the importance of wild vegetables for consumption and its health benefits. Considering the present-day situation in which the world resorts to fast food because of its ever increasing craze and taste, which leads to various illnesses and disorders like obesity, fatigue, improper bowel movements, intestinal problems and many more to add. As botany students we need to know the plants around us and their uses, in Viva college we make sure to consider this as a prime responsibility to bring this to the students' knowledge which will in turn make them keener and more interested in botany and plant taxonomy.

The field visit was conducted to a nearby accessible place to all students i.e. Virar station west market. This market is visited by almost all the people resident in Virar and surrounding areas. The beauty of this market is that the main non-conventional vegetables come early at the break of dawn when the vendors assemble at that very spot no sooner than 5-6am in the morning and the market gets almost empty of their vegetables by the end of the hour itself. The vendors bring vegetables collected from cultivated areas and from wild areas of Virar - Palghar region. Boarding the very first train, these vendors arrive to make their income for the day by 5am. The vegetables brought here are fresh and unpolluted by chemical treatment which make them healthier than the ones purchased from super markets and big bazaars. With a little bit of bargaining skills one can get vegetables at prices appealing to one's fancies.

The students were taught about the taxonomical aspect of the plants sold in the market ranging from its characters to botanical names, families and nomenclatural dilemmas. They were also made aware about the use of the vegetables and the importance of consuming wild monsoon vegetables during this season. The vendors were also questioned for the recipes of preparation. Furthermore, the students and the accompanying professors ended up purchasing quite a number of non-conventional wild vegetables for their home table.

Enumeration of the wild plants documented during the field visit at Virar west local market:

Short excursion – Kanheri caves (2019-20)

Date	**During monsoon**
Venue	**Kanheri caves, SGNP, Borivili (E)**
Target students	**SYBSc BZ & SYBSc CB, TYBSc Botany & TYBSc BZ**
Professor as field guide	**Mr. Hensal Rodrigues, Mr. Kiran Chakral**
Accompanied professors	**Mr. Pratik Jagtap, Ms. Pooja Tiwari & Mr. Atul Dubey**
Photo courtesy	**Mr. Shubham Hadkar (SYBSc BZ-2018-19)**

Introduction to Kanheri caves:

The Sanjay Gandhi National Park (SGNP) is situated between 72^{o} 53' to 72^{o} 58' East longitude and 19^{o} 88' to 19^{o} 21' North latitude and lies within the city limits of Mumbai. The total area of the National Park is currently 103.09 km^{2}. Sanjay Gandhi National Park (SGNP) which consists mainly of basic lava flows. Basic lava flows consist of basalt and are called basic since they contain less than 45 percent of free silica. This type of geology gives the park's terrain an undulating topography of hills, valleys, lakes and open areas. The undulating scenery forms ideal catchments for the Powai, Vihar and Tulsi lakes. The Bassein (Vasai) Creek divides SGNP into the northern (Nagla) and southern blocks.

The word Kanheri comes from the Sanskrit word Krishnagiri which means 'Black Mountain'. They are maintained by the Archeological Survey of India. These caves are a major point of interest in the park as they are Buddhist Caves that date back from the 1st Century BC to the 9th Century AD. There are around 109 caves that have been discovered so far and they are all made out of volcanic rock

Minutes of the Excursion:

- The students assembled at the Gate of Kanheri caves on the 10th of August 2018 at 8:30am and were taken up to kanheri caves.

- The place was introduced to the students as a historical Buddhist cave governed by the archeological survey of India and the Forest department of Sanjay Gandhi National Park.

- Then the crowd was split into two groups, each group headed by a field guide and two teachers accompanying them, and set off to two different locations on the kanheri plateaus.

- Amidst the rain the students were made aware about the flora and fauna, along with plant animal interactions at kanheri caves, importance was given to endemic plants, type localities, forest types, evolution, and various types of habits. The students were also given a brief history of how the caves we formed and how it supports various endemic life forms due to its lateritic plateau and seasonal water pools and falls.

- Surveying throughout the forest of kanheri caves the students documented the plants explained by the field guides and were also given live examples to the plant families incorporated in their syllabus making study of plants little more interesting.

- The Field study ended in the afternoon around 2pm. The students departed with good memories and ample knowledge.

Long Excursion – Pachmari_Kanha excursion (2019-20)

On field dates	**20th -23rd February 2019**
Venue	**Pachmari, Kanha**
Target students	**TYBSc Botany, TYBSc BZ & TYBSc Zoology**
Professor as field guide	**Mr. Hensal Rodrigues (for botanical knowledge)**
Accompanied professors	**Mr. Johnson Varkey, Ms. Sonal Salvi, Ms. Pradnya Salvankar**

Minutes of the Trip:

- *Drosera burmannii, Utricularia* sp., were the highlights of the trip. These are insectivorous plants growing in Nitrogen deficient environments, as compared to other regions this sanctuary had a dense population of *Drosera burmannii* flourishing on and above the rocks. alongside these a rather common yet vivid insectivorous plant also was sited, *Drosera indica*.
- Plants were sold at the Temple including *Crinum* bulbs, *Amorphophallus* corm, *Pinus* female cone, at different prices and are used medicinally for various purposes. People from the entire area come to worship this temple and
- Horticulture aspects were explained including, Hedge, edge, lawn, Focal Point through live explanation at the garden (Observe image - Garden Landscape).
- Another important noticeable was the flowering of Bamboo which is very rare to observe. Students were privileged to observe it in mass flowering enroute Kanha safari.

- A Good quantity of Bryophytes were observed, with reproductive structures like gemma cups which was news to the students as, learning its was a live experience of learning such aspects which were only taught in class syllabus
- More than 100 plant species were documented throughout the journey.

On field dates	**October 2019**
Venue	**Gorai Khadi, VIVA wetland**
Target students	**TYBSc Botany & TYBSc BZ**
Accompanied professors	**Mr. Johnson Varkey, Mr. Kiran Chakral**

Minutes of the excursion

Gorai is a place known for its eastern Indian community and the mangroves it upholds. the students of TY batch 2019-20 were taken to this place to make aware about the importance of mangrove forest and how it holds a vast diversity of ecosystems intact along with keeping our lands safe from floods.

The students were made acquainted with many true mangrove plants and how they have adapted to saline habitat with modifications in certain characteristics. Mangrove associates and invaders were also studied during this visit. plants related to families of Angiosperm syllabus were explained on field to give the students a live experience of these families and their habitats.

Students were also shown Gorai as the type locality of two plants which were recently described namely, Cistanche tubulossa subsp. palustris S. Dutta, H. Rodrigues & K. Chakral, and Avicennia marina var. acutissima f. pumila S. Dutta, K. Chakral, & H. Rodrigues. The importance of Type locality in botany and taxonomy were explained to the students.

VIVA college has a beautiful wetland behind it, wetlands hold the excess of water which floods the mainland during monsoon and this becomes important to know about. Hence the students of

TY were taken to the wetland to make them aware of the wetland for our community and how the plants growing in such wetlands are important to keep the wetland alive.

A walk around the periphery of the wetland was conducted and students were shown man wetland dwellers which inhabit these areas. students were exposed to various aspects of plant morphology with examples from the wetland flora.

about 40 species of plants were studied during this visit

Herbarium making & College Herbarium establishment – VIVA college Herbarium (2019-20)

On field dates	**2019**
Venue	**VIVA college**
Target students	**TYBSc Botany & TYBSc BZ, SYBZ, SYCB**

As part of the curriculum students of SY have herbarium making, dept. of Botany has taken a leap ahead to instil in students the importance of Plant taxonomy by making them stitch herbarium sheets on their own.

Students were told to collect a plant from their respective locality and were explained the entire protocol of plant collection to pressing along with importance of herbarium and type specimens

students were also excited in up taking such practical based learning of herbarium and enthusiastically stitched their herbarium and submitted them.

Furthermore, we have started to establish a Departmental herbarium for the benefit of students and the people in and around Vasai - Virar who deal with plant studies and research and who have to go long distances to get their plants identified. On complete establishment of this herbaria the college and the students will benefit a lot.

currently under process we have about 300 prepared specimens and about 600 unstitched collected specimens from various areas namely from various parts of Maharashtra, specifically Mumbai Vasai - Virar, and also specimens from Himalayas

The herbarium holds two Isotypes of ***Cistanche tubulosa*** **subsp.** ***palustris*** **S. Dutta, H. Rodrigues & K. Chakral,** and ***Avicennia marina*** **var.** ***acutissima*** **f.** ***pumila*** **S. Dutta, K. Chakral, & H. Rodrigues**. which has been accepted internationally (ipni.org) which gives gravity to the taxonomic research conducted here.

Furthermore, the herbarium has also been mentioned on an international scale under the website ipni.org organised and maintained by the Harward university herbaria.

The Sanjay Gandhi National Park (SGNP) is situated between 72^{o} 53' to 72^{o} 58' East longitude and 19^{o} 88' to 19^{o} 21' North latitude and lies within the city limits of Mumbai. The total area of the National Park is currently 103.09 km^{2}. Sanjay Gandhi National Park (SGNP) which consists mainly of basic lava flows. Basic lava flows consist of basalt and are called basic since they contain less than 45 percent of free silica. This type of geology gives the park's terrain an undulating topography of hills, valleys, lakes and open areas. The undulating scenery forms ideal catchments for the Powai, Vihar and Tulsi lakes. The Bassein (Vasai) Creek divides SGNP into the northern (Nagla) and southern blocks.

The word Kanheri comes from the Sanskrit word Krishnagiri which means 'Black Mountain'. They are maintained by the Archeological Survey of India. These caves are a major point of interest in the park as they are Buddhist Caves that date back from the 1st Century BC to the 9th Century AD. There are around 109 caves that have been discovered so far and they are all made out of volcanic rock

Minutes of the Excursion:

- The students assembled at the Gate of Kanheri caves on the 10th of August 2018 at 8:30am and were taken up to kanheri caves.

- The place was introduced to the students as a historical Buddhist caves governed by the archeological survey of India and the Forest department of Sanjay Gandhi National Park.

- Then the crowd was split into two groups, each group headed by a field guide and two teachers accompanying them, and set of to two different locations on the kanheri plateaus.

- Amidst the rain the students were made aware about the flora and fauna, along with plant animal interactions at kanheri caves, importance was given to endemic plants, type localities, forest types, evolution, and various types of habits. The students were also been given a brief history of how the caves we formed and how it supports various endemic life forms due to its lateritic plateau and seasonal water pools and falls.

- surveying throughout the forest of kanheri caves the students documented the plants explained by the field guides and were also given live examples to the plant families incorporated in their syllabus making study of plants little more interesting.

- The Field study ended in the afternoon around 2pm. The students departed with good memories and ample of knowledge.

STAFF REPORT

A LEAP FORWARD IN UNDERSTANDING PLANT TAXONOMY

By

Mr. Hensal Rodrigues

Department of Botany

Viva College, Virar 401303

2018-19

Activity conducted w.r.t. syllabus – Edible plants in relation to Plant Taxonomy:

This activity has been implemented to make the students aware of the plant families of which the students of third year study as part of their curriculum. An innovative way to give the students insight into the importance of plant names and their parts used along with uses. It makes a connection of studies and food we consume in our everyday life. This activity keeps the students updated with botanical names of the plants they studied, and is a unique aid to memorise the same.

The activity is conducted weekly on Saturdays. The students are given a Theme of any plant family few days prior, and are advised to bring dishes made from the members of the said family. On the activity day the students along with teacher open up their lunch boxes together and study the plants brought, by explaining their scientific name, common name, part used and uses, which makes them aware of the plants they are consuming. The studied plants are then documented by the students photographically and also, they also bring forth the information through WhatsApp group.

Field visit to Virar west local market for studying Non-conventional wild monsoon vegetables:

Field experts:

- **Mr. Hensal Rodrigues**
- **Mr. Vaibhav Satvi**

A field trip was conducted specially for the students of Third year Botany and Botany-Zoology to understand the importance of wild vegetables for consumption and its health benefits. Considering the present-day situation in which the world resorts to fast food because of it ever increasing craze and taste, which leads to various illness and disorders like obesity, fatigue improper bowel movements, intestinal problems and many more to add. As botany students we need to know the plants around us and their uses, in Viva college we make sure to consider this as a prime responsibility to bring this to the students' knowledge which will in turn make them keener and more interested in botany and plant taxonomy.

The field visit was conducted to a nearby accessible place to all students i.e. Virar station west market. This market is visited by almost all the people resident at Virar and surrounding areas. The beauty of this market is that the main non-conventional vegetables come early at the break of dawn when the vendors assemble at that very spot no sooner than 5-6am in the morning and the market gets almost empty of their vegetables by the end of the hour itself. The vendors bring vegetables collected from cultivated areas and from wild areas of Virar - Palghar region. Boarding the very first train, these vendors arrive to make their income for the day by 5am. The vegetables brought here are fresh and unpolluted by chemical treatment which make them healthier than the ones purchased from super markets and big bazaars. With a little bit of bargaining skills one can get vegetables at prices appealing to one's fancies.

The students were thought about the taxonomical aspect of the plants sold in the market ranging from its characters to botanical names, families and nomenclatural dilemmas. They were also made aware about the use of the vegetables and the importance of consuming wild monsoon vegetables during this season. The vendors were also questioned for the recipes of preparation. furthermore, the students and the accompanying professors ended up purchasing quite a number of non-conventional wild vegetables for their home table.

Enumeration of the wild plants documented during the field visit at Virar west local market:

Sr. No.	Botanical Name	Family	Common Name	Part used	uses
1	***Bambusa* sp**	***Poaceae***		Young shoot	Edible
2	***Leea asiatica*** (L.) Ridsdale	***Leeaceae***		Young stem	Edible

Brief report of programme (in 250 -300 words)	• An activity 'Use of Chemistry in Day to Day Life' was organised by the Chemistry department on 11th March 2023. • It was open for undergraduate as well as postgraduate students. • There was solo as well as group participation. • 21 students from F.Y.B.Sc. to T.Y.B.Sc. and M.Sc. part I and II registered themselves and 12 participated in the competition. • The aim of the competition was - students should gain knowledge in the topic selected and learn how to present the topic. • The activity was conducted by Dr. Shraddha Khamkar, Dr. Gayatri Gadre, Dr. Promila Nagpal and Dr. Jayashri Naphade. • The performance of the competitors was judged by the organisers of the competition. In view of the judges, all the participants presented well and covered many aspects of their respective topic by poster, power point presentation and by chalk and board. • The judges were pleased to announce winners of the competition: 1st winner- Sudharshini Pillai 2nd winner- Shweta Singh 3rd winner- Abhishek Shukla • Certificates were given to the winners as well as participants. First three winners were honoured with medals.

The students then have a better idea of how well they are grasping

	The material, hopefully motivating the m to study more and helping the mallocate their study Time effectively by focusing on their information that still needs more practice. **11.OBSERVATIONS & SHORTCOMINGS–**The participation in online puzzle showed that the Students really like these platforms in which they can take parthassle free. Its low costing, time Saving & more accurate in data wise however some students are not technology friendly soon This issue we have to work &organize more activities. **12.RECOMMENDATIONS FOR FUTURE IMPROVEMENTS–The** future of puzzling lies in our Desire to transform learning for our students. While the tools are in abundance, the focus needs To be on the content. Quizzing is not just about GK, but about connecting the dots, reading Between the lines and arriving at a conclusion. It needs to focus on logical reasoning.

About the Event

Day - 1 : The event was held in Seminar Hall, New VIVA College at 10.30 am. About 100 students had participated in the training programme. On the first day, Our H.O.D. of Accountancy, Dr. CA Mabel Lobo Madam welcomed the resource person & students along with Principal Sir Dr. V. S. Adigal, Vice-Principle Madam Dr. Prajakta Paranjape & IQAC Coordinator and Vice Principal Madam Dr. Deepa Verma. She briefed the students about the event. Vice-Principal Dr. Prajakta Paranjape Madam and Dr. Deepa Verma Madam addressed students and guided them.

Resource Person Ms. Aditi Chipkar conducted the interactive session among students regarding how to build self-confidence. One to one sessions were conducted among students. Resource Person Mr. Vinod Gawande briefed the students about how to crack interviews. Students' main perspective was to develop their communication skills, how to deal with share market, marketing strategies, career counseling, etc. Students were given an activity on "How self-confident you are?"

Day - 2 : Session started with the previous day's recap. Topics were covered such as "Building Confidence, Active Listening, Time Management, Basic Etiquette to follow at office, Body Language, Corporate culture, Do's & Don'ts, PowerPoint Presentation, Prioritizing your things.
Interactive activity was undertaken with students, along with one-to-one activities.
A homework assignment was given to students to write a speech on any topic and to perform the next day on stage that would be carried on Day 3.

Day - 3 : Students were motivated to speak on different topics of their choices to remove the stage fear. Students made sure to participate in this.

Day - 4 : Session began with the resource person enquiring the students about vision boards, asking them to show their respective vision boards made by them. The resource person, Mrs. Aditi Chipkar, informed the students about the importance of vision boards, goal setting & positive affirmations.

Furthermore, she went forward with the guidelines on email etiquettes & resume building. Second half of the session saw several students giving speeches. Students were given constructive feedback regarding the same & were guided on their oratory skills, language, posture, confidence & many such important things.

Day - 5 : The day began with the resource person giving an assignment to the students to prepare an introductory video of themselves. The students were introduced to the process of creating professional profiles on various portals, and its importance & ways to create more visibility of their profiles. Later, the speaker described 'Digital Image Management', wherein she guided on the right ways to present oneself in front of the concerned audience during online meetings & interviews. Furthermore, she provided her insights on 'Interview Skills'.The students were asked to make PPTs on Insurance & Financial Markets for the future sessions. The end topic was discussed on 'Customer Service' & its requisites.

Day - 6 : Session began with the introduction of 'Financial Literacy' which included topics such as financial services, savings, investments, insurance, budgeting. The resource person illustrated a few pension schemes also known as 'Yojanas.' Public Provident Fund & Mutual Funds were explained. The 'Interview Skills & Preparation' session was conducted wherein the students were asked to introduce themselves as they would do in their personal interviews & gave them constructive feedback for the same. Few scenarios were presented in relation with interview questions & respective answers expected.

Day- 7 : RBL session started with the recap of financial literacy by the resource person, Mrs. Aditi Chipkar. Guidance about CIBIL Score, Advantage and Disadvantage of Credit Card, Loan Process. Detailed Explanation of Pradhan Mantri Mudra Yojana. Then asked the students to prepare PPT on Courses and Procedures of Banking jobs in govt. And private sector for future sessions. Guidance about opening a Mudra account and this way she concluded the technical things of the bank (personal Finance). She had also given a brief explanation for tomorrow's session which will be conducted on Banking. Students Presented the PPT at the end of the session on general insurance which was given to them as assignment

Day - 8 : The session began with the resource person Mrs. Aditi Chipkar giving introduction about the BFSI. Topics covered were Evolution of Banks, Recent technology in banking sector (e.g. tele banking, mobile banking, internet banking) etc. She went forward with the guidelines on loans and advances, Digital banking, Safe online banking. Later, she provided her insights on interview skills and asked the students to prepare on P2P (accounts payable) and O2C (accounts receivable) and Financial Accounting concepts.
Later, our College Coordinator Mr. Narayan Kutti Sir guided the students about the importance of attending such sessions and also motivated the students to join for further sessions which will benefit the students in their future career development.

Day - 9 : The day began with a kickstart of information about PowerPoint and Excel by Mrs. Aditi Chipakar. She started by explaining the fundamentals of the Excel programme and then highlighted its key tools, such as summarization and conditional transforming, and concluded with a lot of

important lessons to remember from the session and it was a great learning experience for students. She also offered an outlook on the banking exam, discussing the subjects that matter such as general knowledge (GK), aptitude, English, and so forth. Additionally, she gave light on the examinations that recent grads may take while providing additional material from websites and YouTube videos. As we moved closer to the finish line, the speaker made sure that her expertise gave us invaluable advice on how to handle clients, interviews, and their jobs.

Day - 10 : Session began with the knowledge pot, where the speaker shared her insights on how to approach interviews while being aware of oneself. By beginning with a strong introduction, you may maintain delicacy while promoting your accomplishments and interests. In addition to presenting the crucial information, she emphasised on how one should highlight their academic accomplishments and exceptional talents, such as their proficiency with spreadsheet programmes like Excel. The issues frequently discussed or inquired about during interviews were mentioning strengths and weaknesses as well as understanding of the organization we were interviewing for. After addressing a few businesses and their work processes, she provided valuable advice on how to understand oneself, one's strengths and interests, and knowledge about highlighting the talents and brilliance in many areas of scope can assist to ace the interview .

Day - 11 : The last day of the training programme began with students' presentation from their PPT. The fruitful training given by Aditi Madam resulted in the students being able to communicate and explain the PPT with self confidence. Considerable improvement in the confidence level, presentation skills and communication skills were observed. The speaker then revised all the core skills shared with students during the past days of the training.
For the placement program which was to be held ahead, the speaker gave various important tips to the students to face the corporate interviews. Various interview related queries were asked by the participants which were addressed by madam .
The participants then gave Thanksgiving to Aditi Madam who helped them in bringing positive changes in their soft skills and overall personality.
All the participants thoroughly enjoyed the enriching and memorable training session.

All the participants were given the certificate from the GTT.

About the Event

The event was held in Seminar Hall New Viva college at 10 a.m. Around 176 students of different streams have attended the programme. Prof. T. M. Jethani Sir arrived sharp at 10.00 am and the event started. Prof. Vishakha Sane hosted the event. The felicitation of our guest speaker Mr. T. M. Jethani Sir, our Principal Dr. V. S. Adigal Sir and HOD of Accountancy Dr. CA Mabel Lobo Madam was done by Prof. Kavita Purandare.

Our Principal Dr. V. S. Adigal Sir welcomed Prof T. M Jethani Sir. Also sir brief about the requirement of career guidance in the field of Law. As per the view of Principal sir the changing legal environment has resulted in demand for law career personnel.

Dr.(CA) Mabel Lobo, Head of the Accountancy motivated students regarding the programme and also urged students to take part in college events whenever possible.

Prof. Sandra Lopes introduced the speaker of the event Prof. T.M. Jethani Sir. The students were overwhelmed with the introduction of the speaker for having knowledge of many areas apart from law. Sir is also well versed with the field science, yoga and meditation. He is a follower of Mahatma Gandhi.

Prof. T.M Jethani Sir addressed the crowd and introduced students with the subject of law. He also guided the students about the various opportunities in the field of law. He introduced students to various terms of law and different scenarios applicable in day to day life. He provided detailed information to the students regarding various career options in Law to the students in a very efficient manner.

The students were motivated by the lecture given by Sir. Many of the students showed their desire to pursue a career in law. Question answer session was also conducted at the end of the lecture.

Vote of thanks was provided by Prof. Nileshwari Ghumre, Coordinator of SYBCOM.

About the Event

The event was held in the Library Reading Room, New Viva college at 9.30 a.m. Around 12 individual entries and 20 group entries had come for participation i.e. altogether 83 students from different streams participated for the competition. Our Guest Dr. V.S.Adigal Sir and Dr. (CA) Mabel Lobo Madam arrived sharp at 9.30 am and the event started.

Prof. Sandra Almaida and Prof. Manisha Bhosale hosted the event. Our Principal Dr. V. S. Adigal Sir briefed about the competition and guided students regarding today's need for advertisements. Dr.(CA) Mabel Lobo, Head of the Accountancy motivated students to participate in such events.

The competition was started and the students were coming up with unique ideas for advertising. The acts were superbly done by students. There was humor as well as social messages in the acts presented by the students.

The Judges, Prof. Neetu Sharma and Prof. Praktana Kore judged the events fairly and on the basis of some principles of advertisements. Prof. Neetu Sharma guided the students regarding advertisements and brands.

The winners were declared and the medals were awarded to them by our H.O.D. Dr. (CA). Mabel Lobo Madam. All the participants were given the participation certificate.

Vote of thanks was provided by Prof. Pushpa Barve.

1. INRODUCTION

Identifying the qualities and preparing the students to face the competition is a need of hour. Presentation with creative ideas and confidence is required to face the competition. To imbibe such qualities among the students, commerce department always take efforts by preparing the students for facing the competitive world and helping them to be in pace with the world. Efforts have been taken by the department in this respect by way of appointing experts, by organizing various competitions, by arranging workshops and seminars etc.

"INNOVATIVE BUSINESS IDEAS" a competition based on "Creative and Innovative business plan along with Feasibility Reports." was organized by the Commerce Department on 29th January 2020, to bring in all round development in students by inculcating qualities such as creative thinking, innovative ideas, leadership qualities and self-confidence. It also helped to prepare the students to face the crowd, to handle the stage and to fight the stage fear.

2. COMPETITION ON INNOVATIVE BUSINESS IDEAS:

The competition was made open to all the streams of the college. Proper notice was circulated to all the departments of the college well in advance by displaying on the notice board and also by personal announcement. Altogether 13 Groups and 55 students had enrolled for the competition. The detailed list of such students with stream in enclosed in **Appendix A**

BRIEF ABOUT THE JUDGES:

Coordinators from various streams were cordially invited to judge the event so as to avoid the bias. The judges were:

1. **PROF. DILIP JAIN**
   (NET in Commerce, MMS, M.COM, M.A in JOURNALISM.)

   Sir has gained lots of Industry knowledge and Academic Experience. He has won many medals in sports. Sir is also visiting faculty for:

   a. Viva Institute of Management and Research.
   b. Rohidas Patil Institute of Management studies (Bhyander)

2. **Dr. Roshni Nagar**
   (M.COM, M.B.A in Finance, Ph.D in Commerce)
   Co-ordinator of Banking and Insurance. Mam has presented many National and International papers.

1. ABOUT THE COMPETITION:

The competition started sharp at 9.45 and On behalf of Department of Commerce, Prof. Veronika Barla gave a warm welcome to all the dignitaries, teachers, student participants and volunteers. This was followed by inviting all the dignitaries to step on dais. This was further followed by a saying "A Lamp does not speak, it introduces itself through its light" and further requesting all the dignitaries for Lighting of the Lamp and Saraswati Vandana.

Further Dr Archana Joshi and Prof. Praktana Kore gave a token of love and honored our judge Prof. Dilip Jain and Dr.Roshni Nagar respectively.

Further Prof. Praktana Kore was requested to speak few lines on the concept of “INNOVATIVE BUSINESS IDEAS” and enlighten the concept. Prof Praktana kore then threw a light on the concept.

“Innovation is seeing what everybody has seen and thinking what nobody has thought.” Uttering these words with a glimpse of smile Prof. Veronica further requested Dr. Nilima Bhagwat madam to say few words to participants. Dr. Nilima addressed students in a precise manner saying “It is a platform for students to show their talent. It’s an opportunity to remove stage fear from the minds of students.

Further Dr. Rakhee Oza mam was been requested to say few encouraging words to the participants. In the beginning madam first declared that the Idea was been originated by Prof. Praktana Kore, followed by permission from Head of Department and then a final permission from Principal Dr A.P.Pandey. (The copy of permission letter is in Appendix - A.).

Then madam further gave detailed information about Entrepreneurs saying "Entrepreneurs have something of their own. And it is a 'need of an hour' as getting a Government job is just next to impossible and if one manages to get the same, still it is difficult to survive with a very less pay. Apart from the orthodox job now a day's new sectors as well as Media task is emerging every now and then.

Grabbing the opportunity available one should try and do something new and different rather than continuing with traditional job strongly supporting her own words with lots of live examples of business with FMCG. Dr. Rakhee Oza further requested students to think OUT OF THE BOX and grab any of the entrepreneurial opportunities from the ample opportunities available for them such as, IT sector, Blogging, Online survey and writers, advertisement, mass media and nutrition and healthcare. Mam further winded up saying "Anything new is never small"

Prof Veronica Mam further declared that concept of "Innovative Business Ideas" has been introduced and she further requested Prof. Snehal Jadhav to handle the programme ahead. At the beginning Prof. Snehal quoted the words of Milan Kundera "Business has 2 functions Marketing and Innovation. She further proceeded by stating the rules for the competition. Further asking the groups and the participants to be ready she started inviting all the 13 groups one after another on the stage to put forth their innovative product, service and ideas and explaining the same in the light of Financial, Economic, Technical and Economic feasibility study.

There were 13 Groups and altogether 57 participants who were the part and parcel of this competition. Every group was unique and every one had a different product or service to deal with and lots of other detailing like location, sources of finance, its utilization, advantages of product or service and feasibility report. Each group presented their innovative ideas from different perspective and in unique combination of ideas. It was really a moment of pride to see the future of India presenting their ideas

innovatively. Every group was having innovative charts and props to support their point of view. Judges and teachers were really proud to see the students performing so well as if they have a real idea of handling a business. Some students even added a humor factor to bring liveliness in their idea.

All the Professors as well as Audience and judge were stunned with the performance of the participants even in the event which was conducted at a short notice. The charts and business models used were very attractive. In this way the last Group finally winded up almost at 11.50 a.m. After this the participants were motivated by the group of teachers who were present for the competition. All the students were congratulated for their bold performance and after that Vice Principal Prof. Prajakta Paranjape and Head of Department Dr. Rakhee Oza mam was further invited on Diaz where Prof Oza mam addressed the audience about the importance of new start-ups and innovation.

Further V.P. Prof Prajakta Paranjpe addressed students stating that this concept is really excellent. She further elaborated that the participation itself states that students are highly motivated. Further she threw some light on the term feasibility and detailed students about feasibility from various angles. She further clarified the relation that exists between the risk and profits of the business. She further took students focus on today's reality that, Government also forward help on incubation process where in feasibility report is judged.

Further students view about the programme were noted when they were asked whether they were happy with the competition and they said a big yes. This was evidence that the programme was successful.

WINNERS:

Prof. Snehal Jadhav announced the results of the competition after quoting ‘innovations distinguish between a leader and the follower.’ Judges and other teachers felicitated the rankers. Participation certificate were given to the students apart from winners. You will find the list and details of the winners in Appendix -A.

Finally Prof Snehal quoted the words of Dr. Abdul Kalam “Mistakes increases your experience and Experience decreases your mistakes, if you learn from your mistakes then others learn from your success.” She further invited Prof. Praktana Kore to put forth vote of thanks and windup the competition.

Last but not the least Prof Praktana Kore put forth the vote of thanks to all the audience, teachers, judges and students, especially to Judges, the event

coordinators , the participants and especially Mrs. Nagaratna madam for making the reading room available for the competition. And she finally declared that the event is over. The competition got over at 12.15 p.m.

श्रीराम एक्सप्रेस ग्वालियर महानगर

नारी के संघर्ष और समाज के पाखंड को उजागर करता है मराठी नाटक 'हमीदा बाईची कोठी'

श्रीराम एक्सप्रेस, ग्वालियर

नारी के संघर्ष, उसकी सिद्धांत निष्ठा और समाज के पाखंड को उजागर करते मराठी नाटक 'हमीदा बाईची कोठी' का गत दिवस मंचन किया गया। इंदौर की प्रसिद्ध संस्था आहंग की प्रस्तुति अपने कसे हुए निर्देशन, बेहतरीन अभिनय, कल्पनाशील प्रकाश योजना और बहारदार संगीत निर्देशन के कारण अविस्मरणीय बन गई।

इस नाटक के सबसे बड़े नायक खुद नाटककार अनिल बर्वे हैं। जिन्होंने एक नारी का संघर्ष उसकी जिद, सिद्धांत निष्ठा और समाज के पाखंड को अपनी सशक्त कथा, पटकथा और संवाद के माध्यम से उजागर किया है। अनिल बर्वे ने 1987 में यह नाटक लिखा था जिसे सबसे पहले महान रंगकर्मी और फिल्म निर्देशक विजया मेहता ने मंचित किया था। इस नाटक को मंचित करना इतना कठिन है कि महाराष्ट्र के पेशेवर और अकुशली रंगकर्मी भी इसके प्रयोग से बचते हैं। यही अनिल चापेकर की प्रशंसा करनी होगी जिन्होंने इस नाटक के मंचन का न केवल साहस दिखाया बल्कि पूरी भव्यता, कल्पनाशीलता और कुशलता से सफल प्रयोग भी किया। अनिल चापेकर के सहयोगी मिलिंद देशपांडे और नवीन घोडपकर भी उतने ही प्रशंसा के हकदार हैं जिन्होंने क्रमशः नेपथ्य और प्रकाश योजना को अंजाम दिया। ऐसा बहुत कम होता है कि नेपथ्य और प्रकाश योजना के लिए रसिक देर तक ताली बजाएं।

अर्श रंग की प्रस्तुति में ऐसा हुआ है। पर्दा खुलते ही भव्य स्टेज देखकर हॉल तालियों से गूंज उठता है। यहीं से नाटक स्थापित होता जाता है। नवीन घोडपकर की प्रकाश योजना ऐसी थी मानो उनके लाइट्स के सेटअप स्टेज पर अभिनय कर रहे हों। अनिल चापेकर के नाटकों में संगीत एक मजबूत पक्ष होता है। ये मौका मिलते ही गजलें, मराठी भाव गीतों और शास्त्रीय संगीत का प्रयोग करते हैं। हमीदा बाईची कोठी में संगीत के लिए खूब स्पेस था जिसका पूरा फायदा ध्वनि संकलक संदीप सरवटे ने उठाया। हमीदाबाई चे कोठी में प्रयुक्त गजलें, ठुमरी, कजरी और खयाल गायकी का इतना अद्भुत प्रयोग किया गया है कि दर्शक दर्शक बार-बार वाह कर उठते हैं।अनिल चापेकर ने अपनी कसा हुआ दिग्दर्शन किया है। नाटक के प्रत्येक फ्रेम पर उनकी पकड़ स्पष्ट रूप से परिलक्षित होती है। जहां तक अभिनय का सवाल है तो हमिदा बाई की भूमिका मे नेहा झारे और उनकी पुरी शबनम की भूमिका में ईशा इंगले ने जान डाल दी है।सत्तार बने विक्की यादव,साहिदा के रूप में पुर्वाती अहेर सिंगे ने भी प्रभावी अभिनय किया है। लुक्का बने सुमित सिरसिगा,पंटर बने हरिओम पाटील और बहार वाले बने कुमार जडये ने भी अभिनय की छाप छोड़ी है।

जानेमन- नाटक में दो कालखंड दिखाए गए हैं। पहला 1940 का कालखंड है जब द्वितीय विश्व युद्ध का प्रारंभ नहीं हुआ था और दूसरा 1950 के बाद का, जब दूसरा विश्व युद्ध समाप्त हो जाता है। पहले कालखंड में हमीदाबाई की कोठी का वैभव बताया गया है जहां हमीदा बाई की खयाल गायकी के चर्चे पूरे शहर भर में हैं। उसका नाम सम्मान के साथ लिया जाता है। हमीदा बाई मुजरे अवश्य करती है, लेकिन वहां जिस्म का सौदा नहीं किया जाता। उस दौर में कोठी के चलने को एक प्रतिष्ठा थी,मुख्यूरें की जहां वर्षा होती थी। जहां पर बड़े बड़े खानदानी लोग गाना सुनने जाते थेकोठी की अपनी एक अदब होती थी,वो नजाकत,वो व्यक्तिगत आदर था कि गाना गानेवाले और सुननेवाले के बीच का पसन्द केवल मौन संवाद होता था।इस दौर में कोठी पर गजल, ठुमरी और कजरी गाई जाती थी। वहां गायिका और श्रोताओं के बीच आपस में सम्मानजनक रिश्ता था। अदब थी, अन और शान अे शौकत थी। धीरे-धीरे समय बदलता है। ग्रामोफोन और रिकॉर्ड का चलन बढ़ने लगता है ऐसे में कोठी की प्रतिष्ठा का भी पतन होता है। अनेक कोठियें में जिस्मफरोशी का धंधा प्रारंभ हो जाता है। मुजरा करने वाली गायिकाएं बेरण्ड बाजार में बैठने के लिए विवश हो जाती हैं। ऐसे माहौल में भी हमिदा बाई अपने सिद्धांतों से समझौता नहीं करती। वह कोठी को बेरण्डपन में परिवर्तित करने से इंकार कर देती है। उसकी जिद के कारण भुखमरी की स्थिति आ जाती है। हमीदा बाई टूटने को तैयार हैं लेकिन झुकने के लिए नहीं। यही आदर्श उसकी बेटी शबनम भी अपनाती है। हमीदाबाई अपनी बेटी को कोठी के माहौल से दूर रखती है। उसे कैसर हो जाता है लेकिन फिर भी वह अपने उसूलों से समझौता नहीं करती। उसकी बेटी एक सफेदपोश से शादी कर शांति से जीवन व्यतीत करना चाहती है लेकिन सफेद पोश समाज के झूठे डर से उसे नहीं अपनाता। ऐसे में शबनम अपनी अस्मत की रक्षा के लिए लुक्का नाम के दादा से शादी कर लेती है। लेकिन लुक्का का समय बदल जाता है। वह इलाके का दादा नहीं रहता। ऐसे में वह कोठी को शराब बनने का अड्डा बना देता है। वह शबनम को वेश्या भी बनाना चाहता है। ऐसे में शबनम खुद को और अपनी मां की आखरी निशानी यानी कोठी का सम्मान बचाने के लिए कोठी में आग लगाकर खुद भी अलदाह कर लेती है। इस कहानी में सहिब, सत्तार, लुक्का और बहार वाले जैसे पात्र भी हैं जो कहानी को आगे बढ़ाते हैं। हमीदाबाई के जीवन में कई उतार-चढ़ाव आते हैं। यह जीवन की प्रत्येक चुनौती का सामना हिम्मत से तय करती है। उसका संघर्षमय जीवन किस तरह से समाज को संदेश देता है, यह इस नाटक में गहरे मनोविज्ञान के साथ बताया गया है। यह नाटक जहां नारी के संघर्ष और उसकी व्यवस्था को जाहिर करता है। वहीं समाज के पाखंड को भी उजागर करता है।

Brief report of programme (in 250 -300 words)	The activity " **DISCUSSING "HAMIDABAI KI KOTHI" DRAMA WITH EESHA INGLE**" was conducted online on 14, 15, 16, 17 and 18th of november 2022 at 4:00- 6:00 pm by Prof. Eesha Ingle. Prof. Eesha Ingle is an Artist, Singer. She has also been part of the following play 'Hamidabai chi kothi' as the character 'shabnam'. She is also the co-founder of SHE Production. The entire Five day online activity consisted of breaking down various aspects of the drama. Starting from the plot, character, set, makeup and other aspects.

	'Yeh Kothi dekh rahe hain, isme deewaren kam aur khidkiyan zyada hain' says the ageing Hamida Bai, who represents the vanishing culture of tawaifkhanas, the world of dance and music, of tradition and a unique set of principles. Back in the time courtesans held mehfils reverberating with the sounds of sarangi and tabla, and the ghungroo, the bells that the tawaifs wore on their feet. Semiclassical and classical music, ghazals and thumris flourished in these homes; however, many legendary singers of the era remained in the memories and fables. Sharing 3 things related to drama: 1. Worksheet with roles and faces, you can use this to write characteristics. 2. Elements of drama 3. HMD synopsis Students were involved in interactive sessions and activities in the workshop . A total of 14 Students attended the activity. We Thank our HOD Prof. Sameer Rane, our Principal Dr. V. S. Adigal for giving us the opportunity to conduct this activity and Prof. Eesha Ingle for guiding and teaching us.

		Many students demonstrated a keen interest in pursuing Microsoft certification courses.		

	Mr. Rahul provides guidance to these students regarding the certification course.
	Miss Ratna assists in resolving doubts that the students had regarding course fees, time duration, and other related matters.
	Finally, Dr. Sampada Deshmukh encourage the students to participate in the certification course as it offers better opportunities for career advancement.
Brief report of programme (in 250 -300 words)	**Title of Seminar**: “Certification Courses by Microsoft”

	Objective: "To assist students in developing skills and help students in obtaining Microsoft Certifications." **Details:** The seminar was organized for the students B.Sc IT, B.Sc CS and B.Sc DS on 1st February, 2023.The talk was given by Ms.Ratna and Rahul a team of skilled knowledge workers whose mission was to assist students in developing skills and help students in obtaining Microsoft Certifications. The speaker gave an introduction and started presentation with the definition of skill development and its importance in today's world. He showed a picture of Satya Nadella, the CEO of microsoft and used him as an example that one does not need to be good in programming to land a job in a Tech Giant company as he was merely an electrical engineer by degree. There the importance of skill came up. Then he showed another photo of a 14 year old boy, Tanmay Bakshi who at this age was hired by IBM as an AI Engineer and rejected an offer from Google before that. There too the importance of skill was shown as he started from an early age and worked his way towards success. Next students were shown some statistics of how many employees in India are actually skilled in their profession compared to people who just want to earn money and quite surprisingly the percentage of skilled people was very low. The demand does not meet the supply of skilled people. He explained the importance of python programming language in the tech world. It is used in every branch of computer science like: Web Development, App Development, Machine learning etc. The speaker gave many examples. Then he informed about Microsoft Student Partners (MSP). It is basically a platform to test knowledge on various technical skills. The pass percentage of the exam is 70%. If the students pass the test, it sets them apart from

	the crowd and they acquire a lifelong tag from Microsoft. He continued about the Microsoft Certification Programme and it's benefits. Then he told us about various workshops on different skills like ethical hacking, python etc. To conclude the seminar he demonstrated what ethical hacking is by actually hacking a students' mobile who volunteered for it . Everyone was amused by that. Overall the talk was very informative and got many of the students interested in the programme.

		Many students demonstrated a keen interest in pursuing Microsoft certification courses.		

	Mr. Rahul provides guidance to these students regarding the certification course.
	Miss Ratna assists in resolving doubts that the students had regarding course fees, time duration, and other related matters.
	Finally, Dr. Sampada Deshmukh encourage the students to participate in the certification course as it offers better opportunities for career advancement.
Brief report of programme (in 250 -300 words)	**Title of Seminar**: “Certification Courses by Microsoft”

	Objective: "To assist students in developing skills and help students in obtaining Microsoft Certifications." **Details:** The seminar was organized for the students B.Sc IT, B.Sc CS and B.Sc DS on 1st February, 2023.The talk was given by Ms.Ratna and Rahul a team of skilled knowledge workers whose mission was to assist students in developing skills and help students in obtaining Microsoft Certifications. The speaker gave an introduction and started presentation with the definition of skill development and its importance in today's world. He showed a picture of Satya Nadella, the CEO of microsoft and used him as an example that one does not need to be good in programming to land a job in a Tech Giant company as he was merely an electrical engineer by degree. There the importance of skill came up. Then he showed another photo of a 14 year old boy, Tanmay Bakshi who at this age was hired by IBM as an AI Engineer and rejected an offer from Google before that. There too the importance of skill was shown as he started from an early age and worked his way towards success. Next students were shown some statistics of how many employees in India are actually skilled in their profession compared to people who just want to earn money and quite surprisingly the percentage of skilled people was very low. The demand does not meet the supply of skilled people. He explained the importance of python programming language in the tech world. It is used in every branch of computer science like: Web Development, App Development, Machine learning etc. The speaker gave many examples. Then he informed about Microsoft Student Partners (MSP). It is basically a platform to test knowledge on various technical skills. The pass percentage of the exam is 70%. If the students pass the test, it sets them apart from

	the crowd and they acquire a lifelong tag from Microsoft. He continued about the Microsoft Certification Programme and it's benefits. Then he told us about various workshops on different skills like ethical hacking, python etc. To conclude the seminar he demonstrated what ethical hacking is by actually hacking a students' mobile who volunteered for it . Everyone was amused by that. Overall the talk was very informative and got many of the students interested in the programme.

Brief report of programme (in 250 -300 words)	In 1986, The National Council for Science and Technology Communication (NCSTC) requested the Center to designate February 28 as National Science Day. The day was first celebrated on February 28, 1987. On this day, scientist Chandrasekhara Venkata Raman discovered the Raman Effect. February 28 is celebrated as National Science Day to mark the invention of the Raman Effect. Students from across the country present science-related projects and innovations at the state and national levels. The day is celebrated to encourage youth to understand the aspects of science and develop an interest in it. The goal is to explain the importance of science among people. Thus, our department of IT and CS in association with IQAC had organized a Session on Innovations in Technology in online mode on 28th February 2022 for Final year students in the presence of HODs of the both departments as well as other faculty members of the department.

Brief report of programme (in 250 -300 words)	Understanding the research process is an important step towards executing a thorough research or study. A deeper understanding of the process of research will help you identify the similar features that occur in the different fields, and the variety in the purpose and approaches to some studies. Understanding the research process will help you understand the implication of deviating from a systematic approach to research, as well as the associating consequences of ineffective and ineffectual research. Our department of IT and CS in association with IQAC had organized this webinar on "Research Process and Publication: Techniques and Methods" in online mode on 27th February 2021 in the presence of all the staff members of IT and CS, Students of MSc. IT and CS and HODs of both the department. The Resource person of the Webinar, Honourable Dr. R. Srivaramangai, Ad HOC Board of studies for IT and Head Department of IT, University of Mumbai, presented the entire session in a simple and interactive manner. All the
	essential points with respect to the paper publication were illustrated in depth. The webinar proved to be of great help to all the aspirants for publishing their research paper right from the final year MSc student for their dissertation, a research scholar or any other knowledgeable person for sharing their own innovative ideas on the specific domain. It proved to be a motivation for all those who were not aware of the basics in publishing the paper and how to go about it.

Brief report of programme (in 250 -300 words)	Career guidance can be defined as a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. In simple words, it is a journey on which people develop to make mature and informed decisions. We live in a highly competitive era where all our career choices and our efforts determine the quality of our life in the future. The competition is increasing every day and has even engulfed the courses that were once called non conventional. With this, the importance of proper career guidance and counselling cannot be overlooked. Our department of IT and CS in association with IQAC had organized a career guidance program in online mode on 6th March 2020 in the presence of all staff members, all Final year students of IT and CS and HODs of both the departments. The resource persons Mrs. Mayuri Rajani, Alumni of IT and Mr. Smit Kawli, Alumni of CS gave a wonderful insights on
	the future career scope of the students and also motivated the students for developing the required skills. The webinar was helpful for the students of last year for shaping their skills with respect to the one that is actually required to get a job in the IT industry. It helped the students to understand the latest trends and technologies used in the IT industry.

Brief report of programme (in 250 -300 words)	In response to the current Pandemic situation, educators have been instrumental in finding new ways to ensure learning continues for children by developing online and offline learning materials, learning about the working of video conferencing tools to be able to meet students regularly and conducting mental & social well-being sessions during the start of the school day and at closure. Our department of IT and CS in association with IQAC had organized a 2 days training program in online mode on 18th August 2020. Purpose of the training Programme is to help staff members to know and understand the different online tools available for the smooth conduction of the online teaching learning pedagogy. The training program was held in the presence of our Honourable Principal Dr. A.P. Pandey , Vice-Principals Mrs. Prajakta Paranjape and Dr. Deepa Verma , HOD of IT
	and HOD of CS department and all Department staff members. Principal Dr. A.P. Pandey gave a Welcome speech to all staff members and then vice-principal Mrs. Prajakta Paranjape highlighted information related to the online learning. HOD of IT Dr. Sampada Deshmukh described flow of program to all the attendees. Ms. Shilpa Rodrigues explained the various tools and techniques used in online learning. Ms. Pranali Thakare also explained few tools and techniques used in online learning for Mathematics and Chemistry department. HOD of CS Mrs. Jagruti Raut gave valedictory speech.

Brief report of programme (in 250 -300 words)	Career guidance can be defined as a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. In simple words, it is a journey on which people develop to make mature and informed decisions. We live in a highly competitive era where all our career choices and our efforts determine the quality of our life in the future. The competition is increasing every day and has even engulfed the courses that were once called non-conventional. With this, the importance of proper career guidance and counselling cannot be overlooked. Our department of IT and CS in association with IQAC had organized a Career Guidance Programme in online mode on 29th October 2020 for Final year students in the presence of HODs of the both departments as well as placement team member of the department.
	The resource person Mr. Manish Saesha guided the students on the future career directions of the and also motivated the students for developing the required skills. It was helpful to our students for shaping their skills that is actually required in get a job in the IT industry. It helped the students to understand the latest trends and technologies used in the IT industry. Also, it provided the students with an opportunity for developing their skills by registering for the various courses offered by this programme and then get placed in the industry with such developed talents and skills.

Brief report of programme (in 250 -300 words)	Understanding the research process is an important step towards executing a thorough research or study. A deeper understanding of the process of research will help you identify the similar features that occur in the different fields, and the variety in the purpose and approaches to some studies. Understanding the research process will help you understand the implication of deviating from a systematic approach to research, as well as the associating consequences of ineffective and ineffectual research. Our department of IT and CS in association with IQAC had organized this webinar on "Research Process and Publication: Techniques and Methods" in online mode on 27th February 2021 in the presence of all the staff members of IT and CS, Students of MSc. IT and CS and HODs of both the department. The Resource person of the Webinar, Honourable Dr. R. Srivaramangai, Ad HOC Board of studies for IT and Head Department of IT, University of Mumbai, presented the entire session in a simple and interactive manner. All the
	essential points with respect to the paper publication were illustrated in depth. The webinar proved to be of great help to all the aspirants for publishing their research paper right from the final year MSc student for their dissertation, a research scholar or any other knowledgeable person for sharing their own innovative ideas on the specific domain. It proved to be a motivation for all those who were not aware of the basics in publishing the paper and how to go about it.

Brief report of programme (in 250 -300 words)	Career guidance can be defined as a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. In simple words, it is a journey on which people develop to make mature and informed decisions. We live in a highly competitive era where all our career choices and our efforts determine the quality of our life in the future. The competition is increasing every day and has even engulfed the courses that were once called non conventional. With this, the importance of proper career guidance and counselling cannot be overlooked. Our department of IT and CS in association with IQAC had organized a career guidance program in online mode on 6th March 2020 in the presence of all staff members, all Final year students of IT and CS and HODs of both the departments. The resource persons Mrs. Mayuri Rajani, Alumni of IT and Mr. Smit Kawli, Alumni of CS gave a wonderful insights on
	the future career scope of the students and also motivated the students for developing the required skills. The webinar was helpful for the students of last year for shaping their skills with respect to the one that is actually required to get a job in the IT industry. It helped the students to understand the latest trends and technologies used in the IT industry.

Brief report of programme (in 250 -300 words)	In response to the current Pandemic situation, educators have been instrumental in finding new ways to ensure learning continues for children by developing online and offline learning materials, learning about the working of video conferencing tools to be able to meet students regularly and conducting mental & social well-being sessions during the start of the school day and at closure. Our department of IT and CS in association with IQAC had organized a 2 days training program in online mode on 18th August 2020. Purpose of the training Programme is to help staff members to know and understand the different online tools available for the smooth conduction of the online teaching learning pedagogy. The training program was held in the presence of our Honourable Principal Dr. A.P. Pandey , Vice-Principals Mrs. Prajakta Paranjape and Dr. Deepa Verma , HOD of IT
	and HOD of CS department and all Department staff members. Principal Dr. A.P. Pandey gave a Welcome speech to all staff members and then vice-principal Mrs. Prajakta Paranjape highlighted information related to the online learning. HOD of IT Dr. Sampada Deshmukh described flow of program to all the attendees. Ms. Shilpa Rodrigues explained the various tools and techniques used in online learning. Ms. Pranali Thakare also explained few tools and techniques used in online learning for Mathematics and Chemistry department. HOD of CS Mrs. Jagruti Raut gave valedictory speech.

Brief report of programme (in 250 -300 words)	Competitive Exams are central exams where millions of students and individual people attend the exams every year. Competitive Exams in India is intended for recruiting the suitable candidates for a right job and mainly held for public sector organizations. The major aspiration of this competitive examination is to get suitable and merit candidates from each society in India.Union Public Service Commission (UPSC) is India's central agency, which conducts various exams such as, Civil Services Exam like IFS, IPS, IRS, IRPS and so on. MPSC stands for Maharashtra Public Service Commission. Formed by the Constitution of India, MPSC is a body that selects candidates for civil service jobs in the State of Maharashtra. Our department of IT and CS in association with IQAC had organized a Guidance for Competitive Exam on 7th August 2019 in the presence of all staff members, all Final year students of IT and CS and HODs of both the departments. The resource person Mr. Shivraj Patil gave a remarkable Training on the UPSC/MPSC exams and also motivated the students to develop the required skills. The seminar was thus helpful for the students of last year in shaping their skills with respect to the one that is actually required to get a job in the public sector . It also helped the students to understand the subjects and the curriculum associated with such subjects in Public Sector Exams.

Brief report of programme (in 250 -300 words)	Our Department of IT and CS in association with IQAC had organized a seminar on "**Cyber Security (Awareness and Hands on Experiments)"** On 14th September 2019 from 11:30 am to 01:00 pm. There were around 100 students as participants along with their faculty members. Seminar was guided by 4 guests and speakers from industries. We started with the introduction of our guests namely Mr. Jerry Thomas, Mr. Praneet Menezes, Mr. Jude D'costa and Mr. Mark Sequeira. Then Mr. Jerry Thomas who is an Ethical hacker gave wonderful, knowledge filled talk with hands on experiments and also discussed some real life cyber-crime issues. Students gave feedback that they gain lots of information about the subject, learn new stuff, and are totally inspired by the seminar willing to dive deeper			

	into this subject. Other guests also discuss the realities and needs of the IT and CS industry. Seminar was really fruitful, resource people also introduced a certified course on the same subject in which some students showed interest and finally we ended with thanksgiving.

Brief report of programme (in 250 -300 words)	Competitive Exams are central exams where millions of students and individual people attend the exams every year. Competitive Exams in India is intended for recruiting the suitable candidates for a right job and mainly held for public sector organizations. The major aspiration of this competitive examination is to get suitable and merit candidates from each society in India.Union Public Service Commission (UPSC) is India's central agency, which conducts various exams such as, Civil Services Exam like IFS, IPS, IRS, IRPS and so on. MPSC stands for Maharashtra Public Service Commission. Formed by the Constitution of India, MPSC is a body that selects candidates for civil service jobs in the State of Maharashtra. Our department of IT and CS in association with IQAC had organized a Guidance for Competitive Exam on 7th August 2019 in the presence of all staff members, all Final year students of IT and CS and HODs of both the departments. The resource person Mr. Shivraj Patil gave a remarkable Training on the UPSC/MPSC exams and also motivated the students to develop the required skills. The seminar was thus helpful for the students of last year in shaping their skills with respect to the one that is actually required to get a job in the public sector . It also helped the students to understand the subjects and the curriculum associated with such subjects in Public Sector Exams.

Brief report of programme (in 250 -300 words)	Our Department of IT and CS in association with IQAC had organized a seminar on "**Cyber Security (Awareness and Hands on Experiments)"** On 14th September 2019 from 11:30 am to 01:00 pm. There were around 100 students as participants along with their faculty members. Seminar was guided by 4 guests and speakers from industries. We started with the introduction of our guests namely Mr. Jerry Thomas, Mr. Praneet Menezes, Mr. Jude D'costa and Mr. Mark Sequeira. Then Mr. Jerry Thomas who is an Ethical hacker gave wonderful, knowledge filled talk with hands on experiments and also discussed some real life cyber-crime issues. Students gave feedback that they gain lots of information about the subject, learn new stuff, and are totally inspired by the seminar willing to dive deeper			

	into this subject. Other guests also discuss the realities and needs of the IT and CS industry. Seminar was really fruitful, resource people also introduced a certified course on the same subject in which some students showed interest and finally we ended with thanksgiving.

	Objective: 1) To educate the girl students about the different types of violence against them . 2) To provide knowledge about the different tips of self-protection to keep in mind in different situations. 3) To show case and give demo on different self defense techniques. **Details:** One day Self-Defense training program was organized by Department of Information technology, Computer Science of VIVA College After the inaugural session and felicitation ceremony, demonstration of the self defence technique followed through some videos : The tips she elaborated on how to self protect and defend are: First tip: Prevention is the best self-defense- Attackers, whatever their objectives, are looking for unsuspecting, vulnerable targets. So be sure to follow general safety tips like being aware of your surroundings, only walking and parking in well-lit areas, keeping your keys in hand as you approach your door or car, varying your route and times of travel, and other personal security precautions. Apart from avoiding confrontation, if you can defuse a situation (talk someone down from physically assaulting you) or get away—by handing over your wallet/purse or whatever they want, do that. Hand over your money rather than fight. Nothing you own is worth more than your life or health. If violence is unavoidable, however, to really defend yourself, you'll want to know ahead of time how to fight back effectively—it's possible even against someone bigger or stronger than you. Second tip: Get Loud and Push Back-As soon as the attacker touches you or it's clear that escape isn't possible, shout loudly (—BACK OFF!‖) and push back at him or her. This does two things: it signals for help and it lets the attacker know you're not an easy target. It may not dissuade all attackers, but getting loud will warn off those that were looking for easy prey. Third tip: Remember the Most Effective Body Parts to Hit-When you're in a confrontation, you only have a few seconds and a few moves to try

	before the fight may be decided. Before an attacker has gained full control of you, you must do everything you can— conserving as much energy as possible—to inflict injury so you can get away. So aim for the parts of the body where you can do the most damage easily: the eyes, nose, ears, neck, groin, knee, and legs. Depending on the position of the attacker and how close he is will determine where you will strike and with what part of your body you will employ. Do not step in closer, say, to strike his nose with your hand, when you can reach his knee with a kick

	Objective: 1) To educate the girl students about the different types of violence against them . 2) To provide knowledge about the different tips of self-protection to keep in mind in different situations. 3) To show case and give demo on different self defense techniques. **Details:** One day Self-Defense training program was organized by Department of Information technology, Computer Science of VIVA College After the inaugural session and felicitation ceremony, demonstration of the self defence technique followed through some videos : The tips she elaborated on how to self protect and defend are: First tip: Prevention is the best self-defense- Attackers, whatever their objectives, are looking for unsuspecting, vulnerable targets. So be sure to follow general safety tips like being aware of your surroundings, only walking and parking in well-lit areas, keeping your keys in hand as you approach your door or car, varying your route and times of travel, and other personal security precautions. Apart from avoiding confrontation, if you can defuse a situation (talk someone down from physically assaulting you) or get away—by handing over your wallet/purse or whatever they want, do that. Hand over your money rather than fight. Nothing you own is worth more than your life or health. If violence is unavoidable, however, to really defend yourself, you'll want to know ahead of time how to fight back effectively—it's possible even against someone bigger or stronger than you. Second tip: Get Loud and Push Back-As soon as the attacker touches you or it's clear that escape isn't possible, shout loudly (—BACK OFF!‖) and push back at him or her. This does two things: it signals for help and it lets the attacker know you're not an easy target. It may not dissuade all attackers, but getting loud will warn off those that were looking for easy prey. Third tip: Remember the Most Effective Body Parts to Hit-When you're in a confrontation, you only have a few seconds and a few moves to try

	before the fight may be decided. Before an attacker has gained full control of you, you must do everything you can— conserving as much energy as possible—to inflict injury so you can get away. So aim for the parts of the body where you can do the most damage easily: the eyes, nose, ears, neck, groin, knee, and legs. Depending on the position of the attacker and how close he is will determine where you will strike and with what part of your body you will employ. Do not step in closer, say, to strike his nose with your hand, when you can reach his knee with a kick

Brief report of programme (in 250 -300 words)	The Department of Mathematics in association with IQAC of VIVA College of Arts, Commerce and Science, Virar (West), Dist. Palghar had organized online webinar on "Today's Generation and Social Media" for under graduate students on 20th Feb 2021.

	The event was started at 12.30 and introduction was given by Ms. Rakhee Jadhav ma'am. She welcomed all the dignities present over there. Our Vice Principal Dr. A.P. Pandey sir inaugurated the event. Our Vice Principal and Chief Coordinator self finance courses Prajakta Paranjpe ma'am address Principal sir and shared her point of view regarding social media. Our Vice Principal and IQAC Coordinator Dr. Deepa Verma ma'am shared her point of view. The honorable resource person Nikhil Vichare sir started guiding the students in various aspect of social media. He shared his experienced with the students. He put a relation between today's generation and social media. Sir pointed out both advantage and disadvantage of social media. He guided the student how to utilized social media in right direction and get more benefit from it. He showed students the social media in a different way and that will be beneficial for the students for upcoming days and students also cleared their doubts and gained lots of knowledge on social media. The event ended with the vote of thanks delivered by Ms. Rakhee Jadhav and certificates were given to the students online.

Brief report of programme (in 250 -300 words)	Department Self Finance (Bachelor of Investment Management and Bachelor of Financial Management), had organized the Accounting Quiz Competition on 29th August, 2022 for the IMG & FMG students. The entire competition took place at the library reading room. The quiz competition had two rounds. This two-round competition includes an objective quiz exam and visual round with PPT which engaged the students for two hours. Rules and regulations of the quiz were explained to the students at the beginning. Mrs. Rashmi Gurunani welcomed the chief guests and

	participants. Vice Principal Dr. Prajakta Paranjape, Dr. Rakhee Oza (HOD, Department of Commerce) & Dr. (CA). Mabel Lobo (HOD, Department of Accountancy) addressed the students and motivated them for the competition. In the first-round, students gave an objective quiz exam. After the assessment of papers, qualified students appeared for the second round and the second round was held with the help of a PPT presentation. Questions were asked to the students on screen and judges recorded their answers. For this part we were graced by the presence of our judges Mrs. Tarika Patel and Mrs. Surekha Bhargav. Judges announced the result and critically explained the participants' winning positions. After the announcement of the result there was a prize distribution ceremony held. Mr, Sumit Mishra has Secured the first prize in the Accounting Quiz Competition. Ms. Esha Panja got second prize and Mr. Chirag Mali & Mr. Rohan Yadav won the third Prize respectively. Participation certificates were distributed among the participants after the completion of prize distribution ceremony

	team members & 50 Seed Ball we have gifted to our EME students. We have distributed 50 Seed Ball to all the participants with certificates. Seed Ball is easy and sustainable way to cultivate plants in a way that provide a larger window of time when the sowing can occur. The workshop was a huge success and motivated students to take another step to conserve and sustain nature.

Report on workshop **"MANDALA ART COMPETITION"**

Department of Banking and Insurance has organized a workshop on **"MANDALA ART COMPETITION"** for Third Year Self Finance Courses. It was scheduled on Dated 3rd March 2022, Thursday at 3:00 Pm to 5:00 pm. The platform for the session was on Google meet App. Total 20 students participated for the workshop.

The workshop was presented by Mrs. Saee Churmure

The incharge teachers for the workshop were Co-Ordinator Dr. Roshani Nagar, Prof. Rashmi Gurunani, Prof. Ankita Almeida, Prof. Abhishek Madaye, Prof. Heena Qureshi and Prof. Shruti Basre.

Learning for Students :-

Recall elements and basic vocabulary of geometry. Students will focus on drawing symbols and images that are significant to them. They will understand line of symmetry, radial symmetry, and symmetrical balance. Learner can design a mandala to symbolize a state of mind that you would like to achieve. Mandalas are great tools for meditation and increasing self-awareness.

Highlighters:-

The session was very much appreciated by our Heads and was very special session for all the Professors as the Host who presented this workshop for the intercollegiate Students.

INDUSTRIAL VISIT REPORT 2018-2019

An Industrial visit to " Parle" in Silvasa is organized by Self finance Department of Viva College . One hundred and sixteen students of First year with Five faculties visited the Parle Company to interact with the personnel in the Parle Company and to understand how the Confessionary business is conducted and how with the modern technologies traditional Confessionary business has reached great success.

In the morning at 11 am we visited the Parle Company . We divided the students in batch of 20 students per batch for the visit and interaction with personnel of the company. Our students were thrilled to see the latest automation and technologies and how Confessionary products are made and marketed.

The employees provided some valuable business acumen to our students which would definitely help them to make good decisions.

Finally they validated the visit by giving treats to our students. Overall it's was a very informative visit.

Brief report of programme (in 250 -300 words)	On 23 July, 2022, Department Of Zoology conducted event in accordance with SARRP aimed at raising awareness about Indian snakes among students. The event provided invaluable insight into the diverse snake species inhabiting the country, highlighting the importance of coexistence and understanding. Through engaging slideshows, students were educated about the distinguishing features of venomous and non-venomous snakes, as well as the notorious "big four" venomous snakes: the Indian cobra, common krait, Russell's viper, and saw-scaled viper. The presentation not only shed light on the behavioral patterns and habitats of these serpents but also emphasized safety measures and first aid procedures in case of snake encounters. Attendees left the event equipped with newfound knowledge and a heightened sense of respect for these fascinating creatures, fostering a deeper appreciation for India's rich biodiversity.

Brief report of programme (in 250 -300 words)	On21-09-19 , Department Of Zoology in collaboration with Nature club hosted a beach cleaning program to make students aware of the importance of oceans and its protection at Arnala Beach, Virar (west). Students conducted a thorough cleanup, embracing the responsibility to preserve their coastal environment. Through this hands-on activity, they learned about the detrimental effects of litter on marine life and ecosystems. They gained an appreciation for the importance of proper waste disposal and recycling. Moreover, teamwork and collaboration flourished as they worked together towards a cleaner shoreline. Ultimately, the experience instilled in them a sense of environmental stewardship, inspiring them to advocate for sustainable practices in their community.
