Brief report of programme (in 250 -300 words)		ORIENTATION 2021 Google meet, September 27, 2021. Viva College of arts, commerce and science organized a successful orientation program for the first-year batch of BAMMC department, virtually through Google meet. The program was inception around 10:30 AM with the strength of approximately 80 students. The		

	<p>program was able to answer all that a student wants to know.</p> <p>Legends say that, a journey becomes more alluring if it gets a fantastic start and what is better than Saraswati Vandana to commence with. Then the next program planned on the list was aimed at familiarizing the students to an unknown milieu through a captivating presentation which was gracefully explained by the anchors of the event.</p> <p>The presentation mainly focused on the college, authorities/faculties, exam pattern, student's achievements and contingent leaders through which the BAMMC department managed to win a prestigious award - 'Best PR' for 'Kashibai' @FramesFilmFestival last year. Furthermore, the Students were introduced to the college fest firmly known as "XpressionFest" conducted yearly. The presentation ended with a small poem that was enough to create a positive outlook on life. The entertainment slot was a virtual feast to the eye. Neetu Sharma madams' speech clearly justified the fact all's well that ends well. At the end she cleared the doubts of the students, explained how interactions and activeness in the lectures are important and wished luck to all the fresher's for their new beginnings.</p> <p>Report by: Shubhangani Mathur Shubhanganimathur.stud@vivacollege.org</p>

Brief report of programme (in 250 -300 words)

Transition from school to university/college life is one of the most challenging events in a students' life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and many of them have little knowledge of a university/college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role.

Our department of IT and CS had organized an induction program in Seminar Hall of new viva college on 19th September 2020.

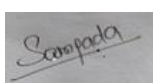

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

The induction program was held for First Year Computer Science and Information Technology students in the presence of our Honourable Principal Dr. A.P. Pandey and Vice-Principal Mrs. Prajakta Paranjape and HOD of IT and CS

Brief report of programme (in 250 -300 words)

Transition from school to university/college life is one of the most challenging events in a students' life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and many of them have little knowledge of a university/college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role.

Our department of IT and CS had organized an induction program in Seminar Hall of new viva college on 19th September 2020 from 10.00 AM

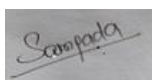

Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration.

The induction program was held for First Year Computer Science and Information Technology students in the presence of our Honourable Principal Dr. A.P. Pandey and Vice-Principal Mrs. Prajakta Paranjape and HOD of IT and CS
